THE PORCUPINE

"They picked on the wrong guy when they tried to needle me!"

He's listened to the weak thread of so many shallow claims he's fed-up! His point is—there's a *thorough* test of cigarette mildness. Millions of smokers throughout America concur.

It's the *sensible test*... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste) you'll see why...

After all the Mildness Tests...
