Watch in the Y Room.

Yesterday the returning boarding students arrived to register for the coming year.

Tonight the parties will continue with the Education Club presenting a skit, "The Old Family Album," and then a coke party. Tomorrow the **Salemite** and the **Sights and Insights** staffs will be hostesses for a picnic supper on the athletic field. That night the Y. W. C. A. and the I. R. S. will sponsor an informal dance in the Day Students' Center.

All students will attend the Home Moravian Church Sunday and the new students will have dinner and after-dinner coffee with their big sisters. Sunday night Vespers will be the recognition service for freshmen. The members of the Y cabinet will conduct the service in Old Chapel.

The last of the organization-sponsored parties will be Monday night when the I. R. C. entertains.

CHESTERFIELD FIRST PREMIUM QUALITY CIGARETTE TO OFFER BOTH REGULAR & KING-SIZE

BOTH regular and king-size Chesterfields are premium quality cigarettes and come in the smart white pack.

BOTH contain only those proven ingredients that make Chesterfields the best possible smoke: the world's best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy — nothing else.

BOTH are much milder with an extraordinarily good taste and, from the report of a well-known research organization — no unpleasant after-taste.

BOTH are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger — contains considerably more of the same tobaccos — enough more to give you a 21% longer smoke, yet costs little more.
