

### News Briefs

The Educational Testing Service has announced that the Graduate Record Examinations, required of applicants for admission to a number of graduate schools will be given at examination centers throughout the country four times in the coming year. The fall candidates may take the GRE on Nov. 17 and 18, and the 1953 dates are Jan. 30 and 31 and April 17 and 18.

Tryouts for the Pierrettes fall production, "Antigone," were held Wednesday night in Old Chapel. Approximately 25 people were present as Miss Reigner directed the opening tryouts.

Emphasis was placed on emotion, not technique, in an attempt to

capture the Greek spirit. The play will be presented in Greek costumes and against a simple set.

Typing is again being offered for all students by Miss Roberts, Secretary to the Dean of Students. The non-credit classes will begin Oct. 6 and will end Jan. 16, giving a minimum of 30 lessons. All students who are interested please see Miss Simpson.

Religious Emphasis Week will be held on campus beginning Oct. 26. Dr. George Forell, who is professor of philosophy at Gustavus College in St. Peter, Minn., will conduct the group discussions and chapel programs for the entire week.

The A. A. council met Wednesday night to discuss its plans for the coming year. On the agenda are plans for inter-collegiate activities, a sport day, a play day and a new idea—"a devil-goat day".

The inter-class hockey, basketball and softball tournaments, the student-faculty basketball and softball games, and a water aquacade will be held.

### Mademoiselle Urges Writing

The Mademoiselle magazine has opened its annual contest for undergraduate women for membership on its 1952-53 College Board. The members are chosen on the basis of themes they write which criticize the August, 1952 College issue of the magazine.

The College Board members who come out in the top 20 on three assignments given during the year will be chosen as Guest Editors and will go to New York next June to help write, edit, and illustrate the August College issue.

While in New York each Guest Editor takes part in a full calendar of activities designed to give her a head start in her career. She interviews a celebrity in her chosen field, visits fashion workrooms, newspaper offices, stores and advertising agencies.

Nov. 30 is the deadline for applications, and successful candidates will be notified of acceptance on the College Board early in December. For further information see the Dean of Women or write to College Board Editor Mademoiselle, 575 Madison Avenue, New York 22, New York.
