### Rev. Thomsen Leads Meeting

The Rev. Mr. William Thomsen of St. Paul's Episcopal Church led a meditation on "The Christian Family" at a meeting of the Canterbury Club in the living room of Bitting last Tuesday evening.

This meditation included many of the points brought out in the Marriage discussion groups sponsored by the Canterbury Club last year. It served "to tie up the loose ends" from those talks as well as to cover concisely all the main aspects of family life.

During the brief meeting an outline of future programs and plans was discussed. All members were urged to attend meetings regularly, bring any interested friends, and to pay dues as soon as possible.

### Salem Joins

(Continued from page three) college.

Of the 25 colleges represented, 14 are going ahead with the proposed organization and 11 others have committed themselves to tentative plans pending action by their Boards of Trustees.

Dr. A. R. Keppell was elected temporary chairman and Dr. Dale H. Gramley will serve as secretary-treasurer until the organization of the foundation can be effected.

There will be a meeting of this group at Salem on Nov. 17.

The council, which is actually apart from the foundation, has elected Dr. Gramley to serve as president for the coming year.

Loma Faye Cuthbertson, president of the Salem College Comenius Chapter, welcomed the visitors, and Anne Lowe, vice-president, introduced the speakers.

During the business session of the meeting, certain points of the State F. T. A. Constitution were discussed and voted upon. Following the program refreshments were served.
