

### Twelve Lucky Girls

(Continued From Page One)

Christmas Day really. Frankie and Bob are planning a June wedding.

Edith Tesch got her ring at a Sunday School party. The Sunday School Class gave Edith the package which Edith thought was a present from them. She really was surprised.

As usual the Shopes did things together. Both of them got their rings on the same night. Jean knew that she was getting hers, but Joan was completely surprised. Now all we need is a double wedding.

That completes the list but don't give up, girls. Spring vacation will soon be here—and who knows what will happen.
