### A. A. News

Salem's versatile faculty displayed their athletic skill Wednesday night as they took an easy 22-12 victory from the newly-elected varsity.

The faculty got an early lead behind the steady shooting of "Hook" Collett, "Fakium" Peterson, "Tinkle-toes" Horne and "Social" Barrier and showed that the "old grey mare" can still kick.

At the end of the first quarter, the crowd became aware of the secret of the faculty's abundant energy when the team managers—"All-the-way-with-the-F. T. A." Welch and "Muzzy" Covington carried water pails (filled with beer?) onto the court.

In a desperate effort to win, the students called in a fresh team straight from the House of I. R. S. But the faculty's steady defense composed of "Cookie" Hodges, "Electro-Magnet" Campbell and "Wild Bill" Spencer easily put an end to the rally as the last seconds ticked away and the referee was revived and carried off the court.

For the victors, Collett scored 12 points and Peterson managed 8. A. A. president "Be-Be" McGloughon (who played guard and forward at the same time) led the losers with 4.

Playing for the varsity were "Merry" Anne Merritt, Boop McLaughon, "Country" Currin, "Fanny" Pitts, "Slinky" Millican, "Scarface" Caldwell, "Soaky" Crenshaw, "Maddy" Allen, "Jo-Jo" Smitherman and "Lil' Annie" Miles.

Salem took top honors at W. C. last Saturday as they won the Sports Day with a 3-0 game record.

First, the Salemites played Guilford and came out at the top of a 20-18 score behind the long shots of Jo Smitherman. In the second game, Salem came from behind in the last few minutes to beat Meredith by a 17-16 score.

The third game saw Salem trailing 11-4 at half-time, but the team put on a second half rally to win 20-18.

Jean Currin was high scorer in the series with a total of 22 points.

After the games, a social hour was held at which Salem received the blue ribbon, and Meredith, which came in second, the red ribbon.

The intramural basketball tournament on campus was concluded last Tuesday as the freshmen won the 1954 championship by defeating the sophomores, 59-26.

Anne Miles led the victors with 30 points, with Jo Smitherman and Sissy Allen copping 15 and 14 points respectively. Patsy Roberson started a first quarter sophomore rally by connecting for 11 points, but after that it was strictly the freshmen's game.

The juniors took second place honors as they scored a 36-23 victory over the seniors to end a three-year rivalry. Jean Currin scored in the first minute for the juniors, who never lost the lead during the entire game. The sen-

iors rallied in the second quarter as Lu Long Ogburn started hitting, but the junior defenses tightened up and held the lead.

Jean Currin led the winners with a total of 20 points and Lu Fike scored 13. Lu Long Ogburn placed 16 for the losers.

### Welch

(Continued from Page Three) the train station for the long trip back to Winston-Salem. Commenting on her trip Dr. Welch said, "the community spirit especially the cooperation between the arts groups in Birmingham is a most vital thing." This trip was a result of a trip Dr. Welch made to Augusta, Georgia two years ago. She had been asked to take the place of a friend who was unable to attend the meeting. At that time Dr. Welch spoke on high school dramatics and met the University of Alabama representative who invited her to speak at the meeting in Birmingham.
