

## Garrison Is Chosen Head Of Dormitory

By Ann Brinson

Carolyn Garrison has been elected to the office of House President of Clewell. Carolyn will take over Shirley Redlack's job of being a welcoming committee, advisor, and "big sister" to all the new freshmen.

It will seem only natural to the sophomores of next year to see a little blond presiding over house-meetings and hurrying to lock the doors at eleven o'clock each night.

Carolyn's home is in Hamlet. She has the distinction of being the first freshman to receive a fraternity pin— She got "Dr." Charles Duckett's KA pin first semester.

The qualities that made Carolyn's classmates put their confidence in her can be seen by the responses to the question, "Why do you think Carolyn will make a good president of Clewell?"

"Carolyn has the qualities of friendliness to strangers, cooperativeness, and efficiency. She'll make even the 'lowliest freshman' feel at home."

"She's the type of girl you can talk to and feel like she's really interested."

"Even if the 'green death' re-occurs, she will keep calm and keep a sense of humor."

"Her grades have been good, so she'll be able to keep them up and still do her job well."

In other words, Carolyn was chosen for the same qualities we admired in Shirley—friendliness, helpfulness, dependability, and efficiency.
