TODAY'S L&M GIVES YOU...

# Less tars & More taste

They said it couldn't be done . . . a cigarette with such an improved filter . . . with such exciting taste. But L&M did it!  
 L&M's patented filtering process electrostatically places extra filtering fibers crosswise to the stream of smoke . . . enabling today's L&M to give you—puff by puff—less tars in the smoke than ever before. Yet L&M draws easy . . . delivering you the clean rich taste of the Southland's finest cigarette tobaccos. The best tasting smoke you'll ever find.
