

# W. R. A. Council Announces Plans For 1958-1959 Season

## New Fall Sport, Hall Ball Needs More Participation

"First in ten—let's do it again." . . . and the ball is centered to McClure, and she laterals it to Reeves, and Reeves makes a fifteen yard pass to Crawley . . . who misses the ball."

" . . . and now it's the second down for the Brickettes, and the ball is this time centered to McClure, and McClure makes an incomplete pass to Lili. Oops—the ball is intercepted by the Ivyettes. Yes—it was caught by Whitescarver."

But, alas, as one expectant W. R. A. member I only dreamed this

happened. In reality—Hall Ball has been a flop. But our spirits are not dampened. We are hoping that this lack of participation is due to the lack of knowledge Salemites have concerning the new game, Hall Ball.

So—oooo—ooo, "All the way with the W. R. A." Don those blue jeans, tennis shoes, and sweatshirts—brush up on your touch football tactics—practice your elbowing, tripping, pushing, and blocking methods—and trip down some ninety steps to the Hall Ball field.

" . . . and the cheerleaders are screaming. It's the last down for the Ivyettes. Doxy centers the ball to Perkins—Perkins passes the ball to Randak—Randak shoots it over to Cabiness and it's a touchdown!

"The cheerleaders are going wild—Salemities are running wild—the score is tied . . . who'll win—the Ivyettes or the Brickettes.

Don't make me have to do anymore day-dreaming. Come on, girls—show your true mettle on the Hall Ball field. "ALL THE WAY WITH THE W. R. A.!"

Martha McClure, president of the W. R. A., announced that the gym would be open Monday thru Friday from 4:45 to 5:45 to any student who wishes to use it. The W. R. A. will have sponsored activities at these times, but students are free to participate in any activity they prefer. Martha stressed the fact that the gym would be available from 2:00 to 5:00 on Saturday and from 2:30 to 5:00 on Sunday to all students for recreation.

The new W. R. A. Council chats about the Brickettes and the Ivyettes.
