## Salem Trustees Adopt Ten-Year Development Program

A ten-year development program for Salem Academy and College was adopted by the Board of Trustees at the annual Fall meeting yesterday. The development program, presented to the Board by the Committee on the Academy and the Development Committee, includes these objectives for the college:

- Auditorium-Fine Arts Center, on the ravine site, at a furnished cost of approximately \$1,750,000.
- Dormitory for approximately 85 girls at an estimated cost of \$400,000.
- Indoor swimming pool (to serve both the College and the Academy)
- Additional shop and storage facilities
- At least \$3,000,000 in unre-

- stricted endowment
  - At least \$500,000 in scholarship endowment
  - Possible expansion of the library
  - Possible expansion of the infirmary
  - Special endowment for summer session scholarships at foreign universities
  - Special endowment for support of research by Salem faculty
  - Special endowment for lecture-ship program
- Plans for the Academy include:
- Parking, roadway, landscaping

(now under way)

- New residence wing
- Scholarship aid endowment
- Unrestricted endowment

The development program is based on certain assumptions: (1) assumptions for the future in regard to the nation as a whole and the South in particular; and (2) assumptions for the future in regard to Salem Academy and College. The national and regional assumptions that indicate that the ten-year period, 1962-72, will be one of general prosperity and strong

employment with a sharp increase in college enrollment. Assumptions in regard to Salem College include:

- The curriculum will continue much as it is now; i.e., basically liberal arts
- The quality of students will increase because of greater selectivity
- Teaching methods will continue much as at present
- The college will continue to be primarily a residential college, with restriction placed upon day student enrollment. Present thinking, according to Board action last year, is 500 resident students and 100 day students by 1972.

-The two-semester program will continue in effect

It is hoped that the development program will begin this spring with efforts centered on two major objectives: (1) the Auditorium-Fine Arts Center and (2) the dormitory at the College as well as the remaining indebtedness on the Science Building addition, a total of approximately \$2,250,000. Approval for this campaign will be sought from the local Public Solicitations Committee.

A News Letter, to be started this fall at the College and issued three times a year, will set forth the immediate financial objectives of the Twentieth Decade Fund and include statements in regard to the ten-year objectives.

## Assembly Series Begins Oct. 31

Beginning next Tuesday, the Assembly committee will present a series in five parts entitled "Identity and Anxiety." This series concerns itself with the individual's problem in relating himself meaningfully to today's social scheme. The subject will be approached from four viewpoints. The first, on October 31, is introspective psychology with Dr. Richard Proctor, a local psychiatrist, as the speaker. The second program, on November 2, will feature Mrs. Ethel Tilley of Woman's College, who will talk on social psychology. Dr. George Abernathy of the Davidson College philosophy department will deliver a speech on November 9 on maintaining one's own personality in today's world of political threats and pressures. The last speaker will be Dr. Davies of Princeton University. He will be visiting our campus for Religious Emphasis Week and will address the students on November 14 on the religious and spiritual aspects of the individual.

The final program, on November 16, will be a panel discussion by four students, one from each class. A student moderator will lead the panel as it relates and coordinates the four programs.

On November 6, Assembly will be a Student Government meeting.

## Tennis Club Makes Plans

A Tennis Club has been formed. The members play either or both Tuesday and Thursday afternoons at 3:30. The club plans 1) to have a singles tournament between the members of the club, awarding a trophy to the winner at the end of the season; 2) to invite a Wake Forest team for a match sometime next week and then soon after invite the Carolina team; 3) to have a mixed doubles match with both Wake Forest and Carolina, provided there is enough support.

Anyone interested in joining should contact Bonnie Bean in 203 South.

\*\*\*

Girls who want to lose a few extra pounds are invited by the Hockey Club to come down to the field every Wednesday afternoon at 4:30 to play hockey. The club plans to challenge Wake Forest, Carolina, and other nearby colleges if enough support is shown.

## Stee Gee Distributes Student Budget Funds

The Finance Board, made up of the treasurers of all budget and non-budget organizations, the business managers of the publications, and faculty advisors, met on October 17 for the distribution of Student Budget funds and an explanation of plans for the year.

It was decided to continue the detailed study of organization budgets and needs for planning the Student Budget in the spring, for this has been an effective procedure in the past. Deadlines will be set for making requests for changes in allotment. Student members of the Executive Committee of the Finance Board - Jane Thompson, Linda Wall, Lyn Ball, and Chairman Judy Summerell - will conduct the study and make recommendations for consideration with the faculty members of the Committee.

## 25 Students Make Holiday New York Trip

"Broadway or bust!" is the cry of twenty-five girls who are making a theater tour of New York during the Thanksgiving holidays. The group is planning to leave Salem at two o'clock, Wednesday afternoon, November 21, and will arrive in New York about one the next morning. They are making the Taft Hotel their headquarters until the following Sunday when they return to school.

Nina Ann Stokes, Pierrette president, has been busily making arrangements for chartering a bus and securing theater tickets for the shows. Each girl may choose the plays she wants to see. Among those which have been selected are **The Sound of Music; Mary, Mary; Carnival; Camelot; My Fair Lady; Unsinkable Molly Brown; Ghost; and Gideon.** Mr. and Mrs. Carver, chaperones for the party, are anxious to see a friend of Mr. Carver's who is acting in **How To Succeed In Business Without Really Trying.** Mr. Carver is head of dramatics at Salem.

Except for attending the plays, the girls will be free to see the sights and shop as they wish. An added feature of the trip will be a visit with Salem's Miss Battle, who is staying in New York on a year's leave of absence from the college.

For those interested, there is still room for five more girls who would like to go either on the theater tour or merely for transportation. The cost of the bus fare alone is \$26.50; for both transportation and hotel it is \$41.75. Food, tickets, and other expenses are additional.

The total income from the Student Budget for this year is \$11,013.75. It has been allocated as follows:

Student Government	\$ 299.65
YWCA	391.85
WRA	138.30
IRS	184.40
Freshman Class	175.95
Sophomore Class	166.75
Junior Class	108.10
Senior Class	81.65
May Day	276.60
Lecture Series	1,478.40
Salemite	1,828.85
Sights and Insights	4,843.00
Pierrettes	345.75
Literary Magazine	694.50

The funds of each organization are handled directly by students with the exception of the Lecture Series, on which committee students serve.

Several announcements were made before the meeting was adjourned. One of these concerned the committee which is now setting up a standard of regulations and requirements for a fairer distinction between budget and non-budget organizations. Another explained the list of approved fundraising projects to be posted along with regulations governing their adoption by organizations.

## Committee Evaluates Salem Honor Tradition

At the end of the first semester of student opinion chosen by the last year, freshmen were asked to evaluate the Honor Tradition. Last spring, following a Salemite editorial, discussions on Salem's Honor Tradition were held and a survey of the entire student body was taken to determine how effective the Honor Tradition really was in all phases of student life. Due to the approaching summer vacation, further evaluation of the Honor Tradition was postponed until fall of 1961.

Before continuing this evaluation, Legislative Board wanted to make certain that all students understood the present Honor Tradition. Therefore the Honor's Day chapel was expanded to include Honor Pledge Cards and discussion groups. Legislative Board then established an Honor Evaluation Committee. This committee is composed of volunteers from Legislative and Judicial Boards and students representing a cross-section

of student opinion chosen by the Executive Board of Student Government. The committee will use the information obtained from the above surveys and discussion groups and a study of honor systems in other schools in its evaluation of Salem's Honor Tradition. After completing its evaluation, the committee will make recommendations to Legislative Board.

The committee has met twice this fall and has set up sub-committees to assimilate student opinion and to obtain information concerning honor systems at other schools.

The chairman of the committee is Nina Ann Stokes. Members are: Marty Richmond, Marguerite Harris, Dean Major, Anne West, Edith Harrison, Jackie Baker, Linda Smith, Eleanor Quick, Elaine Taylor, Carolyn Tyson, Jo Hiergesell, Martha Reid, Virginia Anderson, Kit King, Margaret Edwards, Page Day, Mason Kent, Myrtie Moon Bilbro, and Debbie Linton.

## Craver, Lanier Discuss "Shrew" Plans

Director Raymond E. Carver and stage manager Cathy Lanier review Taming of the Shrew script as Jackie Zipperer checks the rehearsal schedule. The Shakespearean comedy will be presented by the Pierrette Players in Old Chapel on November 16 and 17 at 8:30 p.m.
