Being, while the Danselems will interpret sections of the oratorio, again as the choruses in Greek tragedy did. Finally, the Choral Ensemble will intersperse appropriate choral numbers in the program. For example, selections from Britten's **Ceremony of Carols** and a Buxtehude number are several of the Christmas group which are being planned.

The custom is old, but the presentation is new. There is no admission, and the public is invited along with the faculty and students.
