Salemites Stop To Reflect; Can Return In New Unity

Whereas the New Year usually begins on the first of January, Salemites veer from the traditional dates. We observe a three-month-long New Year's Eve from June until September, which means that now is the time to evaluate the past year and make resolutions for the coming year. With only the semi-annual ritual of exams remaining, most students already exist in the fantasy of the New Year. Rooms have long been selected for the coming year; new officers have already "tried their wings." Rising seniors have even donned caps and gowns for the first time at the hat burning ceremony.

Let us not get so involved in the future, however, that we pass up the opportunity to take a long appreciative look to the past. 1966-'67 brought with it a new class, a new Student Center, new carpeting, and a new face for South. Although such innovations may seem beyond our reach for the New Year, we can make equal strides by resolving to return with a new spirit, a new eagerness, and a new unity.

With only days to go until another school year closes at Salem College, rain and mud and tests have occupied many Salemites.

Sunday's downpour came with a warning which many freshmen heeded by donning play clothes to take the plunge. The mud puddles on back campus beckoned, and girls from Babcock, Gramley, and Clewell reverted to their early mudpie days and paddled and waded, splished and sploshed for quite a while. No one was disconcerted by Dr. Edwards' quizzical look as he rode by the puddle players. After all, what else are mud puddles for?

Luke Galant stayed true to his name by pinning Cyndee Grant. The junior, a Theta Chi at Wake, seems to have captured another freshman's heart.

Wake Forest Sigma Chi, Jim Wells, gave Cathy Clements a lavalier at the beach this weekend. What a perfect way to start the Sweetheart Ball!

The Sigma Chi's at Carolina are not far behind their Wake brothers in securing Salem girls. Terry Ennis, a sophomore on the Chapel Hill campus, found Friday night the perfect time to pin Beverly Brookshire. Terry, a friend of Bev's in high school in Charlotte, took advantage of the break in the television show provided by a commercial to give her the bangle. Maybe commercials are good, after all!

Jane Cross is now lavaliered to Ricky Phillips, a KA at Davidson. The dark-haired Alice-in-Wonderland of Clewell is fast becoming a

The Sigma Chi Sweetheart Court was graced by a Salemite this weekend. Nancy Taylor made the court complete at the annual spring event.

PiKA's at Wake Forest have chosen their Dream Girl from Salem's campus. Ingrid Kvam is their sweetheart and a mighty fine choice they've made.

TO THIS

To lie and listen for the sound
Of night without my room,
To wonder if the day abound
With light and warmth, or whom
Shall I encounter as I go
From here to there and there,
Each day to think but not to know
Or if at all I care;
To think of days that lose their name
And all amass to one—
A memory of thoughts that came
And built, each sun to sun.
To see the sky all full of moon
And in its light to gaze
And know that light has shone from June
Until September days:
To look at length into this sky
And see, within its scope
Of what I have much need, that's why
To this I look, and hope.

Library Opens Lehman Exhibit

An exhibit on Miss Emma Lehman will be featured in the library during the months of May and June. Miss Lehman, a teacher at Salem from 1864-1916, was a person of wide interests and activities. She was known not only as a teacher of English but also as a poet and a botanist.

On display are her manuscripts and lecture notes, as well as several scrap books of her travels and personal interests. There is also a published volume of her own poems. Specimens of area plant life along with her notes and drawings show her knowledge of botany. She even discovered a formerly unidentified plant which was named in her honor, *Monotropis Lehmani* by the State Botanists of New York. Also shown is a scrapbook of letters from former pupils which was given to her on her fiftieth anniversary. These items are on display in the exhibit case on the main floor and in the Grace L. Siewers Salem Historical Room in the library.
