Salem Stars End Season; Contest Two Opponents

By Debbie Lotz

The Moravian Stars closed out their season last week winning one game with Mitchell College and losing one game to Queens. The game with Mitchell on Tuesday, March 5, was won by a score of 59-55, and it was a close contest the whole game. The halftime score showed Salem ahead by five points, 30-25, but a strong third quarter tied Mitchell and Salem at 41 points each going into the fourth quarter. However, Salem's Chris Little kept shooting and hitting in the fourth quarter, scoring 11 of her 32 points to put Salem ahead and keep them there.

The return match with Queens on Thursday, March 7, was won by Queens 64-55. The Queens team, which had been defeated by Salem

at Queens, was out to win this game and showed this to the Stars from the beginning.

When, in the third quarter it looked like Salem was going to stage a comeback as they had done at Queens by scoring 18 points in the quarter, two Queens' players, began hitting, scoring 15 points between them to help keep the point deficit the same, with the third quarter score being 49-40. Salem would have given the Queens quintet a much better game if they had been hitting, but the lid on the basket never seemed to come off, even with Chris Little scoring 25 points to lead the Salem scoring once again. Other Salem team members scoring were Dianne Dailey, 15 points; Susan Hardy, 11; Mary Sheppard, 3; and Mimi Farrar, 1.

A Medical Answer For

MUSCULAR Low Back Pain

Promptly Relieves Pain
So Stiff Muscles Loosen Up and
You're Back Into Action

Doctors who specialize in back troubles report most aching backs are due to weak, tense muscles which can go into painful spasm as you suddenly bend, stretch or twist. To relieve such backache doctors recommend the pain-relief compound in Anacin® Analgesic Tablets. And Anacin gives you more of this medication than any other leading tablet.

Anacin is a special fortified formula. It promptly relieves pain, helps reduce swollen tissues, and so releases pressure on sensitive back nerves. Then notice how stiff muscles loosen up and you move around with greater ease.

Only Anacin has this special fortified formula. It's not found in any other product. See if Anacin's exclusive formula doesn't work better for you.
