"Welcome ladies and gentlemen to the Salem Coliseum and the year's most talked about fight between, on my left weighing in at 175, "Mama Activity," and on my right at 110, "Mama Lazy." This will be a 15 round fight with the loser being the first to fall by the wayside."

"Okay, ladies, come out and shake hands before we begin."

"Mama Activity, this is Mama Lazy; may the best woman win."

ROUND 1: "Mama Activity runs out and ends up waiting five minutes for Mama Lazy to come out, but the rules state that Mama Activity can't push Mama Lazy too hard, so she has to wait for her opponent. Mama Activity begins (when Mama Lazy finally comes out) with a jab to the right cheek of Mama Lazy, and Mama Lazy, stunned but undaunted stands there trying to decide whether or not to become involved in this fight—after all it only involves the championship. Mama Activity finally throws a punch but completely misses and decides not to try again, because she must save her strength for after the fight. Ding — end of Round 1—it looks like Mama Activity will take the lead in scoring for this round."

ROUND 2: "Mama Activity decides to let Mama Lazy make the first move this time, but she gets tired of waiting and goes over to Mama Lazy's corner and begins beating on her. But the referee stops Mama Activity before anything drastic happens. Mama Lazy tries to hit back, but she falls down due to lack of energy. Ding—end of Round 2—Mama Activity is surging into the lead!"

ROUND 3: "Ladies and gentlemen, it looks like this could be the last round. Mama Lazy is slowly getting up from her corner and is trying to go over to Mama Activity. Mama Activity lands a left, then a right, then another left, and Mama Lazy slowly begins to crawl out of the ring. Mama Activity cannot believe this is actually happening and she calls to Mama Lazy to

come back and finish the fight—Mama Activity does not want to win this easily, because she has taken a long time to get in shape and has worked hard to reach the goals she has set for this championship fight. But Mama Lazy does not hear Mama Activity and continues to walk toward her dressing room with a look and a feeling of 'I have better things to do'."

"And so ladies and gentlemen, I give you your new champion, Mama Activity, who has done so much to give boxing a good name in this town."

"Congratulations Mama Activity, do you have any comments for your fans and viewers?"

"Why yes I do," says Mama Activity. "My only comment at this point is that apathy never wins."

Theatre for a semester. Her Raleigh stay led her to become Mrs. John Bivins in June, 1968, and eventually brought her back to Winston-Salem and Salem as Director of Alumnae Affairs.

"There's never a dull moment in this job," says Mary Lucy of the position which she assumed last

July. Visitors and Salem alumnae often drop by to see her in the Alumnae House, but as Mary Lucy puts it, "It would be nice to get to know a few more future alumnae." So, if you've got a minute some day, drop by the Alumnae House to perhaps look around if you haven't seen it and say hello to Mary Lucy Bivins.
