

Film Review

by Sex Seed, Film Critic

Though the movie, *The Cheerleaders*, has just been on the market for nine months, it already has been proclaimed a boxoffice smash. Besides being popular with the public, it has been lauded by leading critics and probably will be an outstanding nominee for the Academy Awards. It has received equal acclaim with *Deep Throat* and *Last Tango in Paris*.

The film is the poignant story of a young girl, Jeannie, who makes her debut into the upper crust of high school society. Jeannie is played by newcomer actress, Sophia Slut, whose presentation exhibits her natural abilities. Jeannie is torn between having to exist as a _____, or to fulfill her lifelong ambition of becoming one of the girls.

Her cheerleader friends, with the guidance of John, are chosen to be the inspirational actors in her life to make her one of the girls. Her life becomes a continuous struggle as she attempts to become fulfilled. She is squelched in the attempt every time.

Finally in an exciting, somewhat melodramatic ending with a rookie football player, Paul, Jeannie falls in love in the boys' locker room. Paul rescues Jeannie from her frustrating life as a _____.

Credit must be given to the technical crew for the feats captured on film. One must also mention the lovely little song, composed by an anonymous genius. It is entitled "Let's Do It Again."

ANNOUNCEMENT, from p. 1 1973).

These contests will be held, as usual, at Dick Drost's Naked City in Rose Lawn, Indiana. Naked City is located approximately 30 miles due south of Gary, Indiana (or about 60 miles southeast of downtown Chicago.) From Chicago, for example take the expressway south to 80-94... Then 80-94 to I-65 then I-65 to the De Motte-Rose Lawn cutoff. Turn right at this cutoff and proceed three more miles (on Route 10) just past Rose Lawn to Naked City.

Besides the .05¢ per mile rate (on a round trip basis), a full week's stay (all-expenses paid -- which is equivalent to another \$150). The first prize for winning the Miss Nude World or Miss Nude America Contest is \$1,000, with runners-up prizes of \$50 each for the next four girls as well!

Any girl, aged 16-29 (16-18 with parents consent), married or single, may enter the contests.

The facilities at Naked City are superb with a huge olympic size pool, two volleyball courts, a private spring-fed lake, the famous Adam and Eve restaurant, a Steinway concert grand piano, a 2300' airstrip (plane, and flying lessons), trampolines, whirlpools, a gymnasium and 300 acres of beautiful, unspoiled pollution free terrain (very conducive for study or relaxation)!

P.S. Although Naked City cannot pay travel expenses, etc. for men, we will also present the Mister Nude America Contest, as well, along with the Miss Nude America contest on Sat. Aug. 4th, and any man of the same age as outlined above, married or single, may enter the contest. Thanks!

Salem girls are encouraged to participate.
