

Happenings At FAC -- Arts Calendar

Compiled by Deenie Calk

Tee Up!

Golf anyone? There will be an organizational meeting of those wishing to play golf for fun and/or for a team on Thursday, March 2, at 12:45 p.m. in the gym classroom.

If you know how to play golf and want to get together with others to play and to improve your skills, come. You don't have to be a pro to have a good time. Also, this might be a good opportunity to sharpen up your game for Father-Daughter Weekend.

February

Friday, 24 8:15 pm NCSA Orchestra Concert in Crawford Hall at NCSA. Features Vivaldi's Concerto for Two Trumpets and Orchestra, Ravel's Concerto for Left Hand Alone, and Hanson's Symphony no. 2. Student soloists. No admission.

The show will open Friday evening at 7 p.m. and continue until 10 p.m. The exhibit will be on view from 10 a.m. - 10 p.m. Saturday and 1-6 p.m. Sunday.

Committee Summaries

'May the Force Be With You'

TASK FORCE ON EDUCATIONAL RESOURCES

Mr. Miller -- chairman
Mr. Barrett
Dr. Johnson
Mrs. Melvin
Mr. Nohlgren

The Task Force on Educational Resources was responsible for "discovering funds to meet Salem's academic financial needs and proposing guidelines for allocation of funds and faculty time."

The task force suggested that one of the "ways to improve academic efficiency (is for) Salem (to make) as great a use of

computer technology as it (can)."

The task force also investigated the January Term in order to "find ways of utilizing time of professors not fully assigned within departments or during January Terms."

Among their proposals relating to January Term are: faculty members should devise enrollment quotas which were appropriate to the courses they teach; "the spring registration for Fall Term should be expanded to include a January Term preregistration" so professors can evaluate their programs in light of student response.

The committee's suggestions for "alternate activities" for

professors during January include, "participation in another course, faculty development, improvement of departmental aids, and course development."

LONG-RANGE PLANNING TASK FORCE

Dean Sandresky - chairman
Dr. Harris
Dr. Edwards
Mr. Jordan,
Mrs. Snow
Mr. Macon

The Long-Range Planning Task Force investigated existing long-range plans at Salem, re-evaluated and devised additional long-range plans for Salem. The object of their studies was to investigate the ways in which Salem may develop as a liberal arts institute over the next ten years.

The committee researched and prepared a "financial outlook" for Salem College covering a ten year period. They also reported projections for enrollment, student fees, endowment funds, and operating costs.

Among the committee's recommendations are that Salem: work to increase enrollment "...through development of curriculum and continuing education activities;

increase Endowment Funds; move toward a student-faculty ratio of about 13 to 1, and develop, document, and implement a comprehensive energy conservation program."

Cont'd. from three

The Long-Range Planning Task Force made many more recommendations dealing with the composition of the Salem College and Academy Community and its continued survival.

Approximately 50 artists from eight states will participate in the informal event. A number of former exhibitors will be back along with many new artists. Exhibitors are selected on the basis of their work, its professional quality, and its suitability for the exhibition.
