BAILEY HIGH SCHOOL MARCH 6, 1933

FEBRUARY P.T.A. MEETING

On Thursday, February 16, 1933 was held the fifth meeting of the Bailey P.T.A. The devotional part of the program was conducted by Mr. Arnold from Middlesex followed by a very inspiring talk by Mrs. E.C. Griffin on Founders Day. Mrs. Griffin gave an interesting discussion of the P.T.A. work from the beginning of its organization to the present time. She concluded her talk with the request that members of the Bailey Association express sincere wishes for the continuance of the work of the P.T.A. Organization. A number of splendid wishes were given. A piano duet was beautifully rendered by Mae Belle Griffin and Rachael Bissette.

Mrs. Grant's room was reported by the visiting committee as the neatest room in the school. Miss Evelyn Jones was given honorable mention. The attendance banner, given at each meeting to the grade having the most parents present, was given to Miss Evelyn Jones. A lively business session concluded the meeting.

Senior Party

Saturday Night, February 18, the seniors greatly enjoyed a "backward" party given at the home of Kathrine Gibson by four members of the class. Everybody went in the back door and was served first. Afterwards several games were played in which the girls exchanged places with the boys.

MAKING OURSELVES ATTRACTIVE.

There are very few people in the world who do not like to be admired, and who do not care for friends. Have you ever stopped to think why you like a certain person and why other people liked that person too? What are the traits and characteristics which we really admire, and what is the first characteristic that we always notice. I haven't space to enumerate what makes a person attractive but I can say the outstanding things are a good disposition a sunny smile and neatness. So many of us lessen our attractiveness by carelessness. Maybe we come to school with a very wrinkled dress, or perhaps our hair is not combed, our finger nails are long and dirty, our shoes are not polished, our tie is crooked and we are careless about the way we walk and sit in our seats. No wonder I'm not attractive. I shall try from now on ----.

THOUGHTS FOR THE DAY

"A little thing, a sunny smile,
A loving word at morn.
And all day long the day shone bright,
The cares of life were made more light,
And sweetest hopes were born!"

The strength of your life is measured by the strength of your will. But, the strength of your will is just the strength
