

## Athletics

The Bailey basketball teams have played two games this season with Rock Ridge and lost both times. The first game was at Rock Ridge, the second was at Bailey's new gymnasium. On Tuesday night the teams played Cooper's here. Again the girls met defeat, but the boys had better luck and won by the score 10 to 9. On Friday night, Jan. 18, Bailey played Spring Hope. Both boys and girls lost. The girls' team is a very good team and is expected to win most of its games even though it has met only defeat so far. These losses have not pulled down their fighting spirit to win others. Mr. Grant has arranged so that we may have two games a week until the season is over. We would be so glad to have you come to our games. James Cockrel.

### Stage Equipment

Bailey High School has just received new stage equipment. By the help of the P.T.A., Wilson merchants, and the Bailey Merchants we were able to get this beautiful scenery. The P.T.A. members are planning to get new doors for the stage and to paint and wax the stage floor. We are very proud of our new stage equipment and wish to thank all who helped us get it. We want to do as Mr. Grant has requested us to do--take good care of it.

### Debating Club News

For the past three Wednesdays in chapel we have been having "try out" for the state debate to be held in March. All members of the club have worked faithfully and have done well; but, of course all could not win. Out of the eleven who tried the judges selected six--Eloise Thompson, Eloise Smith, Elizabeth Thompson, Eunice Price, Alma Ruffin, and Bernice Farmer--who will debate again next Wed. The four best will represent the school.
