JUNIOR-SENIOR BANQUET

Briggs Hotel in Wilson was beaming with laughter, fun, and food Wednesday night, Feb. 28, when the Juniors and Seniors of Bailey High School celebrated their Annual Jr.-Sr. banquet there.

Jack Farmer, president of the Junior Class, acted as toast master. Miss Anthony, eleventh grade teacher gave the blessing. The Junior Class sang a song of welcome and the Seniors likewise responded by song. A farewell toast was given to the seniors by Isabel Vick; George Lee Bissette gave the response. Miss Edgerton, Music teacher of Bailey High, gave some musical selections followed by, "A page from yesterday," by W. S. High Jr. and Josephine Lamm. A quartet made up of Sidney Jones, W. S. High, Rella Pace, and Pearl Manning sang a toast to the faculty and Mr. Rogers our basketball coach, gave the response.

"Reniniscence of childhood," was then carried out by the toast master calling for three senior boys and three junior girls, George Lee Bissette, Theobert Boykin, Wilbur Bissette, Georgia Denton, Isabel Wick and Ruby Lamm. The toast master gave each of the girls a bottle of milk and orders to hold the bottles until the boys drank the milk. Wilbur Bissette was awarded two dandy, red suckers for being the first to empty his bottle.

"Bugs and Insects," Norman Patterson and Charles Medlin, recieved quite a bit of applause for their few minutes of wise cracks about diffrent members of the senior class and the faculty.

The toast master gave the seniors a surprise, for which they were very thankful, when he announced that the Juniors were host to the entire celebrating body at the theater for entertainment the Hollywood way.

The Senior Class wishes to express their upmost appreciation for

every act of kindness and cooperation shown on the part of the Junior Class through out the entire evening.

Frances Manning

Every second Thursday night of each month, the Parent Teachers' Association of Bailey High School meets in the school auditorium.

At the present time, some of the members of the P. T. A. are getting advertisements to put on a new advertisement curta in in the school auditorium. The money that has been secured from the sale of ads is to be used to buy a sound system for Bailey High School.

From the last report that has been received, there is six more spaces for ads to be sold, about \$90 in money. They hope to get the rest of the money soon.

The P. T. A. president urges every parent to attend the meetings and take part in them.

Remember that a dollar is given away to the room who has the most parents present, so be present so your child's room may win.
