

MT. PLEASANT TO HOLD HALLOWEEN CARNIVAL

On October 31, 1940, at 7:30 P.M., the Mt. Pleasant school will give a Halloween Carnival in the school auditorium for all who wish to come and pay the nickel admission fee.

For their money all spectators shall get to see the main program which includes a play, "Spooks' Surprise," in which pupils from all seven grades participate.

There will be, in addition to this program, several stunts and booths, some of which charge a small admission fee. This form of amusement includes:

1. A cake walk--first grade
2. Crowning of a king and queen of the carnival -- second and fifth grades
3. "Blue Beard's Wives"---- third grade
4. Fortune telling---fourth grade
5. A crazyhouse--sixth grade

All drinks and candies are to be sold by seventh grade pupils.

This program provides amusement for the children as well as grown-ups.

Everybody is invited.

PHYSICAL ED. INTRODUCED

Louis Bissette

This year Bailey High School is having for the first time physical education for its students. On Thursdays at activity period the boys have physical education; on Tuesdays at the same period the girls. Mr. Howton is the leader in physical education at Bailey.

Now, when everyone is concerned with the problems of national defense, students more than ever, need healthy bodies and sound minds. By having physical education in Bailey, the school is doing its part for national defense.

A strong body does not necessarily mean an intelligent mind; however, people with strong, healthy bodies are usually intelligent.
