

## BAILEY BUGLE

The Bailey Lions Club will celebrate its first anniversary Tuesday night, December 15th.

Plans are being made for a ladies' meeting, with other clubs invited. A dinner meeting followed by a Christmas party and a general good time by all is anticipated.

During the past year the local club has sponsored several worthwhile projects, and at present is working toward the organization of a Boy Scout Troop. The Boy Scouts is a national organization built around high ideals and worthy principles. The club will sponsor the organization of a troop in Bailey provided the boys in the community are interested.

You will hear more about this project in the near future
