

New Teachers Come from Nash County

Five new faculty members, most of them having taught before, have been secured to fill vacancies brought about by resignations during the summer.

MISS HILDRED LEWIS, of Middlesex, replacing Mrs. D. D. Elks for the fourth grade, is a graduate of Meredith College. Miss Lewis' interest in athletics has led to her becoming co-director for the young peoples' recreational program sponsored by the PTA.

ADDITION

Joining the faculty as an additional member is MRS. DAN E. CHRISTIAN, a graduate of Atlantic Christian College. She has a combination of the third and fourth grade. Her hobbies are swimming, basketball, and reading. Mrs. Christian has a two-year old son, Danny, of whom she is very proud.

Seventh grade teacher is MISS RACHEL BISSETTE, of Bailey. For the past few years Mrs. T.C. May has had this grade. Miss Bissette is a graduate, of East Carolina Teacher's College, Greenville, and has been teaching in Erwin.

NEW TEACHERS

Teaching the eight grade this year is MISS MILLIE PEARSON, of Bailey. Miss Pearson attended Woman's College, Greensboro. For a number of years she has been a member of the faculty of Avon Park High School, Florida. Caring for her home and flowers is her favorite pastime.

STUDENTS SAVE NOW FOR COLLEGE TRAINING

Of the twenty per cent of high school students who have bank accounts, there are only six who did not make their money by work.

These six saved their money from gifts or allowances.

Most of the accounts of the 23 boys came from agricultural projects.

Seven of the eight girls with bank accounts received their money from gifts and allowances; the other one had an acre of tobacco.

Fifty-five per cent of these students with accounts plan to use their money in furthering their education.

Many without a bank account earn all or part of their spending money.
