

Teacher Take Inventory Of Child Background Class Celebrates Valentines Day

An inventory of the child's background of experiences and interest was recently taken in Mrs. Glover's second grade. There are 27 second graders in her room. Many of them have brothers or sisters with whom he plays when at home. The games he enjoys are ball, marbles, jump-rope, hiding, checkers, Old Maid Cards, cowboys, and Ring Around the Roses.

It was found that the child enjoys reading at home and likes fairy tales, animal stories, and comics.

MOVIES, RADIO, FUNNIES PROVE POPULAR

The average child goes to the movies about once or twice a week. His favorite movies are, "Bells of St. Mary's," "Lassie Comes Home", "Smokey", "Courage of Lassie", "Sun Valley Serenade", "National Velvet", "Three Little Girls in Blue", and "Blue Skies".

Every child seems to enjoy the radio and the following are the programs enjoyed: Lone Ranger, Judy Canova, Jack Benny, Phil Harris, Breakfast Frolic, Date with Judy, and When a Girl Marries.

The favorite songs heard on the radio are "Sioux City Sue", "Open the Door Richard", "Old Susanna", "It Had to Be You", "Philippino Baby", "Ole Butter-milk Skies", "Blue Skies", and "Rainbow at Midnight".

The "funnies" the child likes best are Orphan Annie, Blondie, Donald Duck, Mickey Mouse, Super Man, Smiling Jack.

TRAVEL EXPERIENCES LIMITED

The travel experiences of the group were found limited. Only four had ever been on a street car, a boat, or had visited a greenhouse, zoo, or dairy. Two had been to a firehouse and museum. One had been to ride on an airplane. Not any had visited an art gallery or fire-preserve.

First Second Grade Has Valentine Party

In Mrs. Van Noppen's 1st and 2nd grades the children's Valentine Day was Red Letter Day. R.H. Whitley, Yvonne Maccomes, Brenda Fulghum, Lois Murray brought valentines for everyone. All the children brought and received many messages of love.

SNOW

Oh, how I wish it would snow,
I'd sing, I'd sing with happy joy,
If it would snow for once and all,
I'd build a snowman big and tall.
