

# B.H.S. Places \$400 Order For Library Books

VOL. 13. NO. 3. BAILEY. N.C., NOV., 1952

Teachers have just placed a \$400 order for library books, the money having been provided for by the state, the county, and the school. Each of the 20 teachers was allowed to list a \$20 order, which amounted to \$400.

Of this total, \$216 came from the state, or \$12 for each of the 18 state-allotted teachers at Bailey.

### COUNTY FUNDS

Nash County will match up to \$70 any amount any school in the county will raise. Bailey matched this maximum sum.

The \$70 put up by the school was made possible by the high school library fee of \$.50 per student. State, county, and school allotments then amounted to \$356.

### OFFICE FUND

In order that the school get full benefit of the order, the state suggests that the schools over order in case of a shortage of some books. For this reason Principal Weaver drew from the general office fund \$44, making a total order of \$400.

In the case that a teacher didn't order her full \$20 allotment, high school librarian, Idalia Oglesby, completed the order by purchasing books most needed.

### HOW TRUE!

"If you want to be seen, stand up; if you want to be heard, speak up; but if you want to be appreciated, sit down and shut up."

## Depts. Work Coactively In Gym Sales

Through cooperative efforts the school, ninth grade girls, and the junior class are each adding to its treasury through sales of drinks and eats at ball games scheduled in the Bailey gymnasium.

The popcorn machine, owned by the school, is carried to the gymnasium for every basketball game and operated by George Thigpen and Donnie Edwards.

### POPCORN SALES

Popcorn is sold before games, during breaks at quarters, and half times at five cents a bag or ten cents a box. The proceeds goes to the general school fund.

Home made candy is sold by the ninth grade girls as a means of building up their class treasury.

For a number of years the junior class has been given the first opportunity to say if it wanted the option on running the drink stand at home games.

### OPTION

This choice is granted in order to enable the class to have sufficient funds for its banquet given in honor of the seniors.

A schedule made by the class designates three students to sell drinks at each home game. The teacher and class officers are at all games to help.

## Patrolmen Check Drivers

As required by the State Department of Highway Patrol, highway patrolmen have been riding the Bailey buses this month.

This is done as a means of maintaining safety measures in the operation of school buses.

Another important reason for this requirement is to check the buses' routes and their conditions.

## Thanksgiving Prayer

Let me be glad the kettle gently sings,  
Let me be thankful just for little things;  
Thankful for simple food and supper spread,  
Thankful for shelter and a warm, clean bed;  
Thankful for friends who share my woe or mirth,  
Glad for the warm, sweet fragrance of the earth;  
For golden pools of sunshine on the floor,  
For love that sheds its peace about my door.  
For little friendly days that slip away,  
With only meals and bed and work and play,  
A rocking-chair and kind firelight---  
For little things let me be glad tonight.
