

Lunches Served Increase During March

After consulting lunch-room management records and comparing figures of the month of JANUARY with those of MARCH, PRINCIPAL M.W.WEAVER reports that in the latter month more lunches were served and more produce were bought.

Actual results taken from the records are as follows:

1. Student lunches served per day—

March-325, January-313

2. Food and produce costs

March-\$1419.18,

January-\$1351.10

3. Miscellaneous expenses

March-\$37.83, January-\$48.68

4. Number of one half pints of milk bought—

March-5,744, January-5,130

5. Commodities (turkey and butter)—

March-\$407.85,

January-\$215.05

6. Total student lunches served during the month—

March-7,146, January-6,888

7. Income from student lunches—

March-\$1,281.20,

January-\$1,246.60

8. Number of free student lunches—

March-740, January-655

9. Cost of labor during month—

March-\$385.00,

January-\$385.00

10. Reimbursement cost

March-\$325.68,

January-\$235.26

"The interest in the new lunchroom and pleasant surroundings", states PRINCIPAL WEAVER, "seem to be the reason lunches have increased".

Pupils Afflicted With Rheumatic Fever

Rheumatic fever has claimed four victims in this school since October, MISS EDITH FARMER, high school teacher, points out.

CARL BOYKIN, freshman, was the first to be afflicted. Later on, in March, BOBBY EARL BISSETTE and JUDY SMITH, third graders, were stricken.

Eighth grader, LOUISE WELLS is the last one reported having the disease.

Students Receive Bus Driver's License

Seven students passed the school bus driver's test given by J. A. Barnes, State school bus license examiner, this month and last.

They were TED MORRIS, JERRY HIGH, ANDREW SHERROD, PATRICIA DEW, DOUGLAS BROWN, LEWIS BISSETTE, and NEWTON GLOVER.
