

Fashions And Fads..... Vivian Glover

Hello,

So many of the students have "diked out" in pretty cold-weather clothes that is is impossible to name them all in this issue.

Jane Burgess wears a strikingly beautiful jerkin and skirt in a new shade of pink. To the senior play, Nelda High wore a pretty red dress. It looked "Just Ducky" with her blonde hair. ANN MEDLIN and Louise Howell are noted for their pretty separates. Wanda High, one of the best dressed girls in school, shows good taste in selecting her wardrobe. You will probably agree that all the skirts and sweaters she wears are very becoming. CHRISTINE FOWLER has a lovely gold jumper.

Book in the Home Ec. department and select the perfect pattern for you. For the "pleasingly plump" girls a style that will not emphasize is best, The slim student will desire dresses with more curve.
