

Elementary Grades Form Homeroom Clubs

In several of the elementary grades this month clubs have been organized. Each Friday or once a month they give a program for the benefit of the class.

The following are a list of the grades having a club, its name, and officers.

PROGRAM--Monthly

Mrs. Rudolph Glover's second graders' main project this month has been Halloween and working on their Rhythm Band.

Miss Clee Eatmon's third grade is still working on the tree project they began last month. This includes watching the leaves change their color, noting the date, making

leaf calendars, collecting bark and leaves, and printing, pressing, and coloring leaves. They also place on display, once a week, all good work that has been done during that time.

Mrs. Olivia P. Barnes' second and third grade has made spelling booklets, plus setting up a behavior contest. If they remain at school all day without having to be called down by the teacher, they get a star. Then at the end of the month the one having the most stars gets a present.

Miss Naomi Bobbitt's fifth grade elected class officers this month. They are:

PRESIDENT--Gail Joyner
