Lady Basketeers Meet Grantham; Boys Engage Selma Here Tonight

GHS Will Witness Its First Boy's Basketball Team Since The Year 1929

As King Football goes out of GHS in comes good old King Basketball to take its place. GHS opens its season tonight as the girls compete with Fremont and the boys clash with Selma in the Community Building at 7:00.

GHS will see its first boys' basketball on a gym floor since the year 1929. Out of the twenty-five boys reporting for the last three weeks, good material for a basketball team has been found. Coaches Jeffrey and Johnson are instructing the team.

The girls' basketball team have the edge over the boys in basketball experience. They had a very successful season last year and they are expected to repeat. Several big gaps in the line-up were made by graduation last spring, but these have been filled very well. Miss Langston and Miss Ezzel are coaching the team.

GHS will have to put a good fight against Grantham and Fremont tonight, and unless you are there to support them, they're not going to do their best.

The GHS girls will pace the floor tonight in brand new blue and white uniforms while the boys will contest in new blue uniforms.

— MERRY CHRISTMAS —

Oh, These Sportsmen

By RIDLEY WHITAKER

Since a great number of young Daniel Boones are devoting a lot of their time to hunting we are going to use this column this month to tell you some of their experiences.

James Zealy went hunting a few days ago and while hunting he had to cross a creek. He crossed it but his dog wouldn't, so he went back to get the dog. While doing so the dog leaped at him and James landed in the cold, cold creek.

Lambert Jernigan says he was out rabbit hunting with six other boys one day when suddenly a rabbit jumped up. All seven boys started blazing away, but none of them hit the target.

Among the most ardent hunters of GHS are Billy Spicer, Ray Gardner, Charles Edgerton, Everett Proud, Ross Ward, Red Jernigan, Everett Proud, Ross Ward, Red Wynn, Dick Holt, Jimmie Weathers, and Joe Pearson.

Blaney Mooring was out hunting the other day and thought he saw a rabbit and in his haste to shoot the rabbit killed his dog. (That tops them all).

Joe Pearson says he and Dick Holt were out hunting one day around Neuse River and killed a couple of ducks. (Sounds ducky to me).

TRACK TALK

Can you run? If so, Coach Lionel Weil, Jr., would like to see you in person. He wants more boys out for track, more than a mere handful. The track team has set a goal of 50 boys out for track, so let's get behind this thing and show the track team just how fast we can shake a leg. After all, the success of the team depends upon you and no team can be a good one without material.

Walker Barr, new sensational runner from Charlotte, hung up three fall track records on his wall as fall track practice ended last Friday. Walker now holds the new fall record of 10.6 seconds for the 100-yard dash, the record of 25 seconds flat for the 220-yard dash, and the record of 56.7 seconds for the 440-yard run. Being only a Sophomore, Walker ought to be a crackerjack in the future.

In case any girls want to see anything good looking, go out one afternoon and see the new blue sweat clothes the trackmen have. They're cute and so are the boys in them.

Men reporting are: Co-Captain William Dees, Co-Captain Dick Daughtry, Clifton James, Horace Potter, Jim Manly, Raeford Carter, Maylan McDonald, Frank Farfour, Walker Barr, Franklin Spencer, Charlie Boyette, Ernest Spence, Percy Thigpen, Claiborne Pate.

— MERRY CHRISTMAS —

GHS EARTHQUAKES ROUT FARMVILLE ELEVEN BY 34-0

Although outweighed several pounds per man, the GHS Earthquakes completely routed Farmville High School eleven by a decisive score of 34-0, November 13.

The Earthquakes' superior experience carried them to their victory over Farmville High.

— MERRY CHRISTMAS —

GHS STUDENT WINS PASS

Bobby Hatch a very enthusiastic sports fan of GHS, seemed to have what it takes to win a pass to the 1937 Duke-Carolina football game. Bobby sent in his ballot for the first and second all-state football teams, sponsored by the *News and Observer*, and won. I'll have to admit it, he's smart. I wished he would have tipped me off so I could have saved \$2.50.

Lion's Club Is Host at Quakes' Banquet

Twenty Boys To Receive Letters; Interesting Program Given Gridiron

For their services rendered the GHS gridiron team, the Goldsboro Lion's Club was host at the elaborate banquet given to the GHS Earthquakes, at the Hotel Goldsboro last night.

When the Hi News went to press certain things were known which would take place at the banquet, such as, announcement of lettermen; election of captain; presentation of award to the most valuable player; talks by the coaches, players, old and new captain and Mr. Elton Warrick of Guilford College.

Those attending the banquet were: Players, Coaches Jeffrey and Johnson, the manager of the team and the entire Lion's Club.

The boys who will receive letters are: backs—Clifton James, Dick Daughtry, Claiborne Pate, David Pate, David Britt, Everett Proud, Horace Potter and John Tricee. Linesmen—Joe Pearson, Speed Hollowell, Thomas Snypes, Frank Farfour, Robert Dawson, Jamesannon, Robert Thigpen, Red Jernigan, Red Wynn, James Crone, Thomas Stith, Marvin Daughtry and Ernest Spence.

In order to receive one of these blue and white ensembles, it is necessary to play a total of 45 minutes in games scheduled for the first team.

Clifton James, halfback, Everett Proud, quarterback, and Ernest Spence, tackle, are the only lettermen who will end their high school gridiron careers due to graduation this spring.

TANK TALK

Sixteen boys now make up the list of students out for swimming, the majority of these being green water babies. The new men reporting seem to have good swimming talent and in all probability will aid in the success of this year's swimming team.

With the experienced nucleus of Captain Casey, Dawson, Britt and E. Crone the GHS swimming team is looking forward to a big season. At least, the team is expecting to win more meets than they lose.

The swimming team wishes to splash more this year and compete with a more competitive schedule. Eleven tentative meets have already been planned.

Those reporting are: Captain Willis Casey, Clevia Baleum, Wilton Hollowell, David Britt, James Kennedy, Earl Deshong, Ernest Crone, Bobby Heyward, Robert Dawson, Tommy Daniels, Lewis Tilghman, Billy Morgan, Billy Hood, Edward Shumate, Cliff Spruill and Billy Nufer.

— MERRY CHRISTMAS —

WILDCATS NOSE GHS BY 7-0

In the presence of sloshy mud, the GHS Earthquakes fell into the cellar floor of the Class A Conference as the Wilmington Wildcats licked them 7-0, November 25.

GHS Basket Tilts To Be Held Later

Junior Boys To Clash With Sophs; Junior Girls To Compete With Freshmen

The Inter-Class Basketball championships will be at stake when the GHS Junior boys meet the Sophomore boys and the Junior girls meet the Freshmen lassies, immediately after the holidays. The boys' team emerging victorious will receive the Efird Cup while the winning girls' team will receive the Belk Cup.

Both Junior teams are slightly favored to win over their opponents. The girls have much more experience than the Freshmen, having defeated the Seniors, while the Freshmen were forfeited the game over the Sophomores when the Sophs failed to show up for the tilt.

The Junior boys decisively whipped the Seniors, holding them scoreless. The Sophomore boys were able to whip the Freshmen in the semi-finals and go to the finals.

Before the interclass games, the various home rooms of each class played for the individual home room championships. The rooms winning these were to play for the class championship. The victors were Miss Ipock's tenth grade boys and girls, Miss Taylor's eighth grade girls and Miss Downings ninth grade boys.

— MERRY CHRISTMAS —

EARTHQUAKES LICK KINSTON

The highly anticipated football game between the GHS Earthquakes and the Kinston Red Shirts, November 20, turned out to be a victory for GHS by a one-sided score of 20-0. GHS retaliated to the defeat which the Kinstonians handed them last year.
