

Girls' Troop 4 Hold First Court of Honor

"A Girl Scout is loyal."
"A Girl Scout is courteous."

The Girl Scouts of Troop four held their first investiture meeting and Court of Honor at the Woman's Club December 4.

Those brought into the troop by the investiture service are: Helen Cox, Kala Rosenthal, Tiny Mansour and Laura Helms. Patrol leaders, Harriet Noell, Chase Johnson, and Carolyn Langston, taking the place of Elizabeth Spruill, led the candidates to the front where they were questioned by Miss Kornegay.

Many girls received merit badges. They are: Harriet Noel, photographer scholastic, health winner, cook, handywoman, journalism, first aid and Girl Scout observer; Mary Louise Schweikert, swimming, life saving, handywoman, Girl Scout observer.

Rena Graham received handywoman; Chase Johnson, handywoman, Girl Scout observer; Helen Moye, Girl Scout observer and journalism, Bobbie Anne Sanborn, handywoman, scholastic, cyclist, observer and health winner; Carolyn Langston, first aid, swimming, community service, handywoman, Girl Scout observer; Mary Frances Barnes, community service and first aid.

A prize has been offered by Miss Kornegay to the scout having the best essay on North Carolina Indians.

All members of troop four qualifying for merit badges should let Miss Kornegay have their names as soon as possible.

—By Carolyn Langston, '39.

—MERRY CHRISTMAS—

CONCEITED, EH?

Working on the HI NEWS the other day I was very much impressed. Looking over the alumni the marriage situation was brought up. Of course a discussion followed.

Someone remarked that several out of every graduating class immediately walked to the altar. Then everybody started wondering who out of his class would do that.

Ozello emphatically declared it would not be her. Ridley replied she'd be married before she was 23. Babe said she didn't want to get married until she was 25.

Well Ridley can't take it any longer so he pipes up, "You girls are the most conceited things I have ever seen." . . . "You seem to think that any time you get ready to go to the altar the boy will be ready and waiting."

Up yells somebody, "we're in here to work"; so the marriage question is pushed into the background, and work on the paper progresses.

WE HONOR

ENTHUSIAST

This month we honor *William Dees* for his superior work as temporary chairman of the Student Association Committee. William's enthusiasm is the sort that is spreading to other students, for William certainly believes in the possibilities of a student association.

Though always doing good work, William has been more active during his last two years in GHS. As treasurer of the Junior Class last year, he performed a very efficient job. He was one of the last twelve marshals selected on the basis of scholarship to serve during this year.

Track is William's chief athletic interest. It hasn't been in vain either, for he has placed in numerous meets. This year he is co-captain of the track team.

Taking an active lead in the work of the Senior Class, William is chairman of the publicity committee and a member of the ring committee.

Tall, handsome, a pleasing personality characterize William. These qualities together with his ability should win him a permanent place in the hall of fame.

THANKSGIVING PROGRAM SHOWS MUCH ORIGINALITY

A Thanksgiving shadow program was presented in assembly by Miss Langston's third period American history class November 25.

The shadows were produced on a screen, banked on either side with the colorfully decorated baskets of food given by the students.

While the shadows were on the screen a continuous dialogue was read by Norene Johnson.

The students participating were: Lois McCormick, Annie Nunn, Jean Brown, and Ercell Adams, Pilgrim women; Willie Boykin, Marion Brown, Hugh Westray, and James Crocker, Pilgrim men; Deewood Vinson, Rudolph Pate, Lorena Wellons, and Melba Ellis, Indians. Ross Ward gave a reading "Those First Thanksgivings."

The dialogue was written by Norene Johnson and Sarah Cox.

The trumpet, in early days, was considered the most important instrument of a band but now the clarinet, the newest instrument, is considered the most valuable. The alto, or French horn, is the hardest instrument to play because the lips act as the reed in the cup shaped mouthpiece.

ELECTRICIAN

We honor *John Hicks* for his work as school electrician. From his grammar school days up, electricity has been his favorite hobby. While still in grammar school he built several radios and many electrical apparatus.

Since entering high school John has fixed lights and been general electrician on all occasions. During the rehearsals for the Junior Play last year he was always ready to help.

If John is interested in his work he does a superior job. The finest piece of work he has done lately is his explanation of the motion picture projector in two of Miss Gardner's senior English classes. When Mr. Armstrong has a picture to be shown the school, John is usually the one who does it.

Though John is abrupt in manner he has a trait of perseverance which is available to him and also to his fellow-workers.

—MERRY CHRISTMAS—

CHRISTMAS JOY

Jesus brought joy and love into the world

On that first Christmas Eve.

Angels then sang of Heavenly peace

Come to the earth that day.

Offerings of love were given to Him

On that first Christmas Eve

Shepherds who gave had joy in their hearts;

Peace too was theirs that day.

Years that are long have passed since that day

And many a Christmas too.

May this Christmas be much like the first

With joy in all that you do.

—Jane Smith, '37.

God bless us every one.—Tiny Tim.

Advancement is Goal of Every Boy Scout

"Advancement"—that is the word on the lips of all Boy Scouts who make up eight troops of Scouts in Goldsboro.

Every member of this great organization is advancing toward the same goal—the Eagle Badge. This award, the highest honor a Boy Scout can receive, is a mark of time and effort.

Every boy who has received this award has conquered many hardships which will be a great help to him in later years.

These boys are prepared to receive the Eagle Badge: Pat Witherington, Troy Casey, and Charles Liles.

The boys owe much to their Scout Executive, Mr. George W. Hamer, and Scoutmasters, Mr. J. M. Colton of troop 1, Mr. Fred Boyette of troop 2, Mr. Paul Rose of troop 3, Mr. Marvin Smoot of troop 4, Mr. Ed McDowell of troop 5, Mr. J. H. Manly of troop 6, Mr. J. W. Johnson of troop 12 (High School troop), and Mr. Clarence Peacock of troop 13.
