A few can touch the magic string,
And noisy Fame is proud to win them;
Alas for those that never sing,
But dies with all their music in them!

Gallia Est Omnis Divisa In Partes Tres - - -

"Gaul is divided into three parts, the Belgians live in one, the Aquitanians live in another part and; Oh gosh; this ain't right. I have left out half of it and the study period is almost over, only ten more minutes. Why didn't I get my homework? I just know my card is on top and I haven't looked at this Latin. All I know is that Gaul is divided into three parts. Say "Fat," can you translate that next sentence? I never can remember what institutes means."

And so it goes. What probably follows on one of these hectic days when we don't get our homework is a six on one of those little white cards Mrs. Middleton always has handy. The same thing on the next day and the one after that, and the one after that and so on. Anyhow what I don't know about Caesar would fill a book Remember I said what I don't know.

Go to the polls May 28th. And VOTE.
