

By Herbert Barbour

Well, studes, this is the last issue of the Hi News that I'll ever work on and all I hope is that we have covered sports thoroughly this year for you. That has been our aim and we hope we have fulfilled it.

But now for a few orchids to be passed out. My personal compliments go to Coach Jeffrey who has left, thanking him for the splendid cooperation given us of the Hi News' staff and his work with athletics here at GHS.

To Ben Ward for his fine swimming ability and for breaking the 100 and 50-yard swim marks in the State Meet, go some of our finest orchids.

And to all the captains of our various athletic teams—Lee Adams (football), David Bradshaw (swimming), co-captains Albert Handley and Bob Kemp (track), an orchid to each of you.

More power to you, boys.

And now for a farewell note... and a reprint. But let's have the reprint first. I thought that the All-Female Faculty Football team, picked by Bud Pate and Hot Heyward, had such a good reception that I decided to run it again. Here goes:

Another angle on graduation! It's sad to leave the school and especially for you graduating athletes who will never play again for GHS. There are so many of you that I can't name each one, and perhaps there are a great many who are more outstanding than others. And certainly I'm not the one to do the picking. Then, too, a great number of you just stayed out for the team, hoping that you would learn something that would help you make the team the next season.

Now you are graduating—and you won't have that chance again in GHS. But there are other teams that need you—perhaps in college, and certainly in the great game of life.

It's been a pleasure to have you out here, for you are the backbone of our fun and activity. There'll be more to take your places but never any just like you.

The best of luck to you!

Dedication

Coach Norris Jeffrey has left GHS after six years. He has gone to Baden, N. C., to work for the Carolina Aluminum Company.

Coach Jeffrey first came to Goldsboro in 1936 from Smithfield, where

Coach Norris Jeffrey

he held a coaching position. In an attempt to increase your appreciation of Mr. Jeffrey, we give you the highlights of his coaching career since he has been at GHS: The football team of 1937, his second year here, went through the season untied on, unscored on, and undefeated. In 1938, Coach Jeffrey's football squad won the Northeastern Conference Crown with seven wins and three losses. This was the first year that the conference had been organized, and the basketball team also had its first year in the conference, losing to Greenville in the finals. His 1940 football squad won second place in the Northeastern Conference, and it was that year that he took over the coaching duties of baseball.

Coach Jeffrey's biggest surprises came this year. Before football season began, he thought that the chances of having a good football team were slim. But the team brought home the bacon and took the Northeastern Conference Crown with a record of no losses. Our basketball team was looked at in the same skeptical way; however, they won fourteen and lost six games and tied Greenville for the loop lead but lost in the playoff. The Quake quintet won the ACC Class A Tournament in Wilson and received a trophy, winning over Raleigh and Wilson. His baseball team won the Northeastern Conference baseball crown with ten wins and three losses.

These have been the highlights of Coach Jeffrey's coaching career at GHS, and they speak for themselves. He is a fine man and his associations with the boys he has taught in the physical ed program have been the finest that boys could want.

We hate to see you leave, Coach, but you are needed elsewhere. So we of the HI NEWS sports staff do hereby dedicate this, our last 1942 issue of the HI NEWS, to you who have so faithfully served us in the past six years as a coach, teacher, and friend. Though all of your teams did not make the 100 per cent mark, you will always bat 1.000 with us.

—Herbert Barbour, Sports Editor.

Coach Hilton's Boys Enter Seven Meets

The GHS track team has entered seven meets during the current season, four competitive and three invitational.

Winning but one dual meet (from High Point), losing two (both with Rocky Mount), and placing second in the triangular meet with Goldsboro, Wilson, and Rocky Mount were the net results of the four competitive meets. The invitational meets were at the University of North Carolina and Duke University.

Many of the boys have run their last time for "dear old" GHS: Ed Herring—miler; Bob Kemp—440, 880, and hurdles; Albert Handley—100, 220, 440, and broad jump; Steve Simmons—pole vault, discus, broad jump, hurdles and 440; George Denmark—880, and mile; Bud Pate—javelin, discus, shot put, high jump, and hurdles; Tom York—880 and mile; "Willie" Westmoreland—880; and John Holmes, 440. The only senior returning for the twelfth grade is Lee Adams, javelin and discus man.

Among the promising prospects for next year are: "Skeets" Baldwin—pole vault and javelin; Mac Lewis—javelin and discus; Bruce Parrish—880; and Charles Ennis—shot put.

Ernest Graham was the manager of the 1942 track team. Henry Lee, who was to be a high jumper for GHS, suffered a broken arm and could not participate in any of the meets.
