

# Seven-Member Defense Board Completes Active Year's Work

Since February 2, GHS has had an active Student Defense Board consisting of seven defense committee chairmen of which J. D. Pike served as head chairman and Miss Martha Glazener, adviser.

**Scrap Metal Committee with Dicky Weatherly as Chairman:**  
This committee held a city-wide Salvage Day on March 9, collecting 22,730 pounds of scrap metal and 5,060 pounds of waste paper, bringing in a total of \$94.99.

**Waste Paper Committee with Helen Denning as Chairman:**  
This committee has sold 4,356 pounds of scrap paper bringing a total of \$18.15, which was voted the Senior Class. No paper has been sold since March 30 as paper can not be sold in Goldsboro at present, but the weekly collection has been continued.

**Nutrition Committee with Ann Thompson as Chairman:**  
Nutrition week was the main objective during which they sponsored an assembly program and asked juniors and seniors to fill out food charts of all food that they ate during that week. These charts were returned with notes showing the students their diet deficiencies.

**Junior Red Cross Committee with Betty Weil as Chairman:**  
This committee has sponsored three magazines drives to obtain reading material for the Wayne County Recreation Center. To prepare for the center's activities each week-end, they clean up the center.

**Defense Stamps Committee with Gertrude Edgerton as Chairman:**  
Up to date \$632.35 worth of defense stamps have been sold in GHS since February 2. March 16 through the 20th was the largest week of sales when they sold \$116.25 worth of stamps and bonds.

**Waste Stamp Committee with Betty Reaves as Chairman:**  
Two boxes of stamps have been turned over to the local D.A.R., and the committee has two more boxes which will be given to them at the close of school.

**Adventurous Spirit Portrayed**  
As soldiers of the Spanish-American War, John Holmes, Clifton Daniel, and Ed Joyner typify the American spirit of adventure. As a group of the young flyers who volunteered to fight with the Allies before the United States entered the present war, Dickie Weatherly, Bill Stafford, and Linwood Harrell are their modern counterparts.

Showing the part of American women in the first World War Esther Tilton, Alice Graham, Frances Gaddy, Jane Parks, Mary Emma Rouse, Elaine Brown, and Helen Bissette will represent the women who helped in the war work as Red Cross workers, knitters, and nurses. Americans of today who help will be played by Nancy Paige Swift, Edwina Jinnette, Carolyn Hollingsworth, Gertrude Edgerton and Margaret Scott, sugar rationers; Ordery Moore and Quinn Anderson, defense workers; Carlyle Nunn, Hazel Brady, and Juanita Jones, civilian defense workers; and Bob Powell, Helen Denning, Mary Emma Rouse, and Charles Nash, farmers.

The drafting committee, a group of members from the larger commencement committee, was composed of Nancy Paige Swift, Margaret Scott, Edwin Lee, Ruth Minton, and James Crow, with Betsy Cade, chairman and Miss Ida Gardner, adviser. The script used was written by Margaret Scott and Nancy Paige Swift.

**Prizes Awarded**  
The Weil Scholarship Prizes awarded annually to the boy and to the girl with the highest averages above 90, will be presented, as well as the Royall Essay Prize, given by Mr. George Royall to the senior writing the best original essay.

Mr. Lionel Weil, member of the School Board, will present the diplomas to the graduates. The senior gift will be presented to the school by Bob Powell, class presi-

## 111 Physical Ed Boys End Varied Course

One hundred and eleven boys have participated in the Physical Education program, which began in February under the supervision of Coach R. N. Jeffrey. This course, which was required of all senior boys and all boys over 17 by the State Department of Education, was designed to meet the national emergency.

The boys have been divided into three classes, which have met the first three periods in the morning. During the winter months the boys played soccer and practised calisthenics, but for several weeks they have played baseball and have had track meets. Each class is composed of squads which play among themselves to determine the period champions. Once a week each class takes a five-mile hike, running half the way.

On days when the weather has not permitted the boys to go out, they have met in the cafeteria and studied first aid and the care of the body.

Each boy has had a complete physical examination, given by the Goldsboro Draft Board doctors.

dent. It will be accepted by Principal J. W. Gaddy.

Immediately after the pageant Lois Smith and William Henry Williams will sing solos. The Glee Club will sing several selections just before the pageant is given.

Ruth Weil and Ruth Minton are co-chairmen of the costume committee for the pageant and Edwin Lee and Betsy Cade, of the music committee. Mrs. W. J. White is assisting with the staging of the pageant.

The Reverend Mr. W. A. Cade will give the invocation and Dr. Legh R. Scott, the benediction.

The processional will be played by Mary Mitcham and the recessional by Hannah Shrago.

## Active Year Finished By Band and Glee Clubs

The music department, made up of nearly 200 members of the band and glee clubs under the direction of Mr. P. C. Holt, has had a very active year.

The band played at all the home football games, marched in the Junior and Senior Play parades and Bonds Sales Day Parade. It played twice for conventions held in Goldsboro and many times for radio programs and GHS assemblies.

The entire vocal department sang in town as the Christmas lights were turned on. Since January 21, the glee clubs have given four radio programs, four school assembly programs, and have appeared before the Goldsboro Kiwanis, Rotary, Lions and Business and Professional Woman's Club, the St. Paul's Methodist Church, the Friends Church and the Princeton Lions' Club.

Eighty-one members of the three glee clubs were contestants or participants in the district music contest and festival held in Greenville, March 27-28.

A group of fifty students are learning two anthems to sing for the baccalaureate sermon, and eighty voices will sing as part of the Commencement program.

ton H. Bradford was the adviser. Other members were Billy Haire, Ruth Weil, Elaine Brown, and Graves Lewis.
