

Varsity Club Gives Second Annual Dance

The Varsity Club Dance given on May 18 at the William Street school gym was attended by approximately 200 people.

The dance, which was formal, was climaxed by the execution of a figure by the Varsity Club members and their dates, and the official crowning of the Varsity Club Sweetheart, Marnie Cheever. Music was by Hal Thurston and his orchestra. The Frederick's trio was also part of the program.

The gym was decorated in red, white, and blue and gold. Palm trees of red, white and blue gave a night-club effect, and a huge golden chandelier suspended from the center of the gym was complimented by four smaller white ones hung at each corner. Goal posts decorated in blue and white and holding the Varsity Club emblem were situated at the west end of the gym and served as a frame for the announcing of the Varsity Club members and their dates, and were used in the figure. The orchestra, at the east end of the gym, was backed by a translucent curtain decorated with red and silver design, and flanked by live pine trees.

Refreshments of punch, Pepsi-Cola, and cookies were served.

-SIDELINES-

By Jean Pyatt

More and more of our boys are going to visit Uncle Sam. L. S. left for Paris Island last Monday. George W. is expecting his call any day now. Another group are leaving for Fort Bragg soon—Tommy D., Perry, Zeno. Speaking of boys in the service, Johnny Bridgers was in town a few weeks ago. Chubby may get in soon and James Lee. Roy Keller has just gone back and Giddy is home. Buddy Lewis has been home after several years of overseas' duty. We're proud of all you boys, you're really making a fine showing for GHS.

Baseball

I wish to give here the heartiest congratulations of the staff to the members of our baseball team and to Coach for a swell season. We are proud of their third place rating in the eastern Class A Conference. I know you boys worked hard to make our team the very best and we couldn't love you more if you were on top.

Varsity

Congratulations to the three new members of the Varsity Club: "Red" Collins, Gordon Davis, and F. W. Stanley. "Red" was a member of the Varsity baseball squad, and Gordon and F. W. served as co-managers.

Incidentally, those Varsity emblems the boys and girls are sporting surely are pretty. The yellow background with the blue wing makes a very attractive design.

You Varsity boys certainly did yourselves proud on May 18. Yes, I mean the Varsity Dance. You really made it a big success, and the highlight of the social activities of the school year. The gold and white chandeliers were gorgeous and the goal posts, supporting the club emblem, made an effective display. The music, furnished by Hal Thurston, was swell. You are all to be congratulated on its success, a large part of which is due to your able originators and co-advisers, Mr. Britton and Coach.

Our Varsity teams this year have had one setback after another, but they have been swell sports. GHS is proud of you, boys.

Sportsmanship

Goldsboro High School teams have always been noted for their good sportsmanship and clean playing. Keep it up, boys and girls, throughout your lives. You will always be respected and trusted.

No matter what field you go into honesty with yourself and others always pays. A dishonest person hurts himself more than anyone else. When you get out in life you will be on your own—an independent active body. Many temptations will come your way. An intelligent boy or girl will take advantage of his valuable training in GHS and put it to good use.

Good sportsmanship is a mark of virtue and good breeding. Remember that always, Goldsboro High School students.

Boys Voice Opinions On Sports Next Year

The other day I was wondering just what the outlook was for GHS in sports next year. I decided the best source would be from the boys themselves. Most of them answered quickly, and optimistically, but you can draw your opinion from their statements.

Dave Stafford thinks that next year will be a stepping stone to a bigger and better '46-'47 season.

Bill Weathers was enthusiastic about next year's baseball team and thought that the grid squad would be "pretty good."

"Erk" Pope says that under Coach Jeffrey it can't be anything but good.

"Jello" Hallow thinks that we will stand up well under competition.

"Mutt" Rose pessimistically thinks it will be a good three years before we will have a really good team.

Leon Harris Perry, when approached as to his opinion, said that there wouldn't be any trouble if the boys would turn out to practise.

Harry Lane heartily agreed with Mr. Perry in the above statement.

Donald Malpass believes the team will be "fair."

"Eduardo" Best believes the outlook is very good and is joined in his opinion by "Podds" Lee.

"Pete" McDowell believes that the fans will back a fair team, but believes that the outlook is very good year after next.

George Wilson says that from all appearances the teams should be good.

Tommy Davis adds a condition to his statement that the teams will be fair. The condition is work.

Wendell Edgerton offers another orchid to Coach Jeffrey in saying that the team will be very good if he can do anything with them.

There you have it, folks. No matter what your opinion may be you're in for some exciting seasons of sports next year. The Seniors will be following you in the headlines, boys!
