Freshmen Have Had A Successful Year

The Freshman Class of GHS began its year with the installation of new officers on October 31. John Thompson was installed as President; Mary Ann Ward, Vice President; Polly Edgerton, Secretary; LaVerne Tew, Treasurer; and Mazelle King and D. J. Rose Cheerleaders.

As one of their first projects of the year the class sold monogrammed stationery to raise money to carry on various class activities. Approximately \$35 was made on this project which closed November 27.

One hundred and seventy-three members of the Freshman Class participated in the dental clinic held

Sophomores To Be Commended For Work

The sale of war bonds and stamps, a magazine drive and an Easter pageant are the high spots of the activities of the Sophomore Class for the year. Their 1944-45 school year reached its climax in the election of next year's officers.

Miss Isabelle Williams' homeroom has been in charge of the sale of stamps and bonds with Charles Ellis as chairman. Their total sales for the Seventh War Loan Drive were \$2,189.85.

Two hundred and eighty dollars was netted in a magazine drive sponsored by the Curtis Publishing Company. Charles Ellis and Sarah Jane Pate were awarded twenty-five dollar bonds as they were high salesmen for the drive with \$72.50 and \$66.00 respectively.

An Easter pageant with a musical background was presented by the Sophomores to the Student Association.

Sarah Jane Pate and Jo Rosenthal, Sophomore Editor and Treasurer, were in charge of the Sophomore Section of *Gohisca*.

A Dream Revealed

I've often wondered what a senior's thoughts were as he received his diploma. Now I have an idea—a review of his life in GHS. He'll remember how thrilled he was at his first SA meeting and athletic event, conversations between classes, cramming for exams, the plays, the Varsity Dances, and cokes after school. Moreover, he'll look toward the future, his job, or his college; he's now ready to take a part in the future world which is his.

for the class from November 13 to November 15. Fourteen members were found to have perfect teeth.

They succeeded their fifty-dollar goal in the Junior Red Cross Drive.

The class sponsored a social at the William Street Gymnasium on May 4. Erline Griffin was in charge of the Social Committee.

Polly Edgerton and LaVerne Tew were in charge of the Freshman Section in the Senior Annual, *Gohisca*.

This group has also led the school in all three quarter's honor roll.

HATSIE CHATS

Now that the little white cards will be issued for the fourth time this year and the seniors will bid the rest of the school their farewell in a few days, I find the season sprucing up quite a bit; that Bill Taylor does add to its attractiveness. The handsome fellow will more than likely be the Tyrone of next year; I presume it anyway.

Following that up—the Freshmen are certainly making up for the time they were not in high school. For instance, Henry Modlin dated Erline for the freshman social. She finds it wise to keep a long list of boys; she was escorted to the V. C. Dance by N. R. Now do you see what I mean? Others among the V.C.-goers were Lou and Jack, Ottis, J. C. and the Jeffreys twins, Peg and Charlton, Mimi and Kenneth, Ruth and Pike, Mark and Ava, Teeny and Chris, May and "Fudge," Rae and Billy, George and Betty, Charlie and Jane, Herbert and Charlotta, F. W. and Connie, and Sonny and Betty B. A nice group, I dare say! And what a beautiful time they had!

Vous n'y pensez pas! Now I'm talking in your language, ain't I, Frenchies? I love saying that phrase (rather clause) to certain ones! You try it sometimes and see what happens. I won't take the blame though. One easy lesson: say, "voo ni pohn say pa." That's got it. "It runs in the family" doesn't apply in the case of John T. and

me. I remember seeing him with one of his numerous girl friends only the other night. How I do wish it were true, about the "running in the family" business.

If you want to see something adorable just take a drive, or rather a walk, out to the tennis courts and see Lillian and LaVerne taking in a sun bath as well as a sporting hot game of tennis. The shorts are very attractive, I must say, girls. Now I'll collect my money.

Didn't you jiggers just simply go wild with the thought of exams? They always sing about wild women, but I saw millions of wild men around the grounds while "les grands examens" were being pulled. And bags were packed black and blue! These late hours don't agree with me, I'm terribly afraid. Anyway, if any of you are worried about whether or not you think you'll be able to grab on June 8 that white paper with the blue string attached, just let me know; I'll moan along with you. Whoever does get that thrill I bid you a nice piece of luck and happiness for the rest of your lives.

I never liked goodbyes, But they must sometimes come. And graduation is a time When adioses turn me numb. Someone will take my place, And you'll know all the chatter. So if I may just go away I'll leave without much matter.
