

### Fayetteville's Team Swamps The GHS Earthquakes

A hustling Fayetteville football team went wild in the second quarter against the Quakes to score 27 of their 40 points to win 40-7.

The Quakes dominated the second half, sparked by the quarterbacking of Charlie Westbrook and the swiftness of Carlton Frederick, after having 34 points scored on them in the first half. Leading the forward wall for the Quakes was Sam Lynch and J. P. Keen. The game was the fourth for the season and the second loss.

The game was played in Fayetteville on the third of this month.

### Earthquakes Top Wilson Champs

Goldsboro High School's Earthquakes scored 4 touchdowns and as many conversions to defeat Wilson's State Champion Cyclones, 28-13, in the opening game of Eastern AA Conference.

About 2,000 football fans saw the 'Quakes win their first conference game of the present season and break a ten year old jinx.

Goldsboro last defeated Wilson in 1937.

Although the Quakes dropped a game to Concord 13-0 the previous Friday, they lived up to the prediction of a powerful line.

The Quakes were leading 14-0 going into the third period when Wilson scored twice, but failed on one conversion, to make the score 14-13.

Goldsboro then scored two more touchdowns in the last quarter and won the game 28-13.

Scoring for Goldsboro were Ennis, 2 touchdowns, and one each for Waters and McRoy. Conversion points were made by Ruffin, Ennis, Winslow and Frederick.

### Baby Quakes Take Kinston Juniors

Goldsboro Hi's Baby Quakes lost eleven men to the Varsity squad this year and still came bouncing home from Kinston with a 12-0 victory over their Junior squad.

The Baby Quakes played their first home game October 16 against Wilson's Junior team.

According to Coach Anthony

Blysak, the Baby Quakes should play 500 percent football for the season, their big opposition being Fayetteville.

The Junior line, lead by Captain Gilliken, averages 155 pounds. That is the lightest line they have had in a number of years, but what they lack in weight is made up in spirit and aggressiveness. The line, anchored around Allen, Smith and Gilliken, holds well on the defensive.

The Backfield is lead by the Quarterback, whomever he happens to be. Though the average weight in the backfield is only 145 pounds, they are very fast and aggressive.

The Junior Quakes play two

games each with Kinston, Rocky Mount, Wilson and Fayetteville.
