

Sportraits

Howard Caudill

Howard Caudill is co-captain and quarterback on the 1947 issue of the Junior Quakes.

Howard stands 5 ft. 10 in., tips the scale at 140, and was born in Durham, July 16, 1931.

Howard won a letter in football last season, and in baseball two years ago as catcher.

He also rates well in school activities, being Junior Class president and assistant advertising manager on the HI News.

Caudill likes to wear dungarees, brogans and sweaters, and likes to see girls wearing sweaters and skirts. He denies carrying the torch for a certain girl, but instead says he likes 'em all.

His favorite movie stars are Esther Williams and Alan Ladd and his favorite song is "It's All Over Now."

During last summer he was counselor at Camp Tuscarora, Boy Scout Camp, as bugler and instructor in pioneering.

At present he plans to study medicine at Duke University after graduation.

Kenneth Allen

In the past two issues of the HI News, we have featured four members of the Varsity squad in the Sportraits column.

It is only fitting, then, that this time we honor two members of the Junior Varsity squad.

From the line, we have chosen Kenneth Jefferson Allen, the starting right tackle. "Skippy," as he is more widely known, has started all games and played the major part of every game in this, his first year, of football.

Skippy is vice president of the sophomore class and an active member of the Goldmasquers. He had a leading part in the recent presentation of "Nothing But the Truth."

His favorite movie is "The Yearling" and he likes photography and classical music.

Skippy says, "I'm sorry that football season is over. I liked to play the game for GHS. Skippy wants to matriculate at Davidson or Carolina after high school, and we're sure he will be as well liked and successful in college as he is here.

Earthquakes Win Over Fayetteville In Basketball

The Goldsboro High School Earthquakes made their conference debut with an impressive 37-34 defeat over the Fayetteville Bulldogs.

The Quakes got into the lead with two minutes left in the first quarter and held the lead throughout the game.

Troy Pate of Goldsboro, and John Huske of Fayetteville walked off with the scoring laurels with 10 and 11 points respectively.

Junior Game

The Goldsboro High School Baby Quakes opened their conference slate by defeating the Fayetteville Bull Pups 33-25.

The Baby Quakes took the lead early and held it throughout the game.

The Quakes were led to their victory by Junior Hallow who scored 19 of the Quake's 33 points.

THE DOPE BUCKET

By ED STRICKLAND

January first saw football exit with a final splash of glory as the number one teams of the nation clashed in the different bowls throughout the country.

Football for the Earthquake Gridiron Squad ended November 23 with their final victory over the LaGrange eleven, but the disappearance of pigskin was over-

shadowed by the rebirth of another great sport, basketball. All over the nation the magic of that word starts people talking about their favorite team, speculating on their chances to be conference winners.

Here in our own high school, however, something seems to be lacking. There is no ringing

cheers, no thrills, to the name of basketball.

Why? ? ? It was almost the same during the '47 football campaign, a very definite lack of enthusiasm surrounds our sports events, especially at the pep rallies. Last month in this same column I berated the indifference of

students at pep rallies, the dragged out cherring at games when the yelling should be spontaneous, or loud and lusty when the cheerleaders dance on the side lines.

There were hardly 100 students at the Quake vs Fayetteville game. We can do better than that. Talk up the games, plan to go yourself, try to get your friends to go with you.

Supporting your school is the job of each and every student, not of a particular group.
