### Class Day Exercises Held Here May 26

Seniors of G. H. S. held Class Day May 26 in the auditorium with all the classes participating.

All classes with the exception of the Seniors entered the auditorium and stood as the Seniors entered the auditorium and took their places.

After the Seniors were seated, the classes each rose in turn and sang its class song followed by the farewell song which was written for the occasion by members of the individual classes.

At the conclusion of each group's presentation, the Seniors sang their songs and President Bill Elliott thanked the classes in behalf of the Seniors and made the announcement concerning the activities for the day.

The program was concluded with the recessional.

### Scout Troop 17 Takes A Hike

The Scouts of Troop 17, Goldsboro, went on a hike to Camp Hide-Away, their own camp about two miles from Patetown.

The hike was opened Saturday, May 21, at 1 o'clock. They met at the Lutheran church, from which they were taken to the camp. That night the Lutheran brotherhood gave a party of Pepsi-Colas and hot dogs.

The hike was closed on Sunday at 5 o'clock.

Those that attended were Ray Hollowell, Jimmy Lamb, Bill Denmark, W. B. Crumpler, Frank Nunn, Jimmy Person, Sam Getzinger, Jimmy Pageant, Lamar Strother, Clyde Brown, and Sonny Jarmon.

The '49 "Gohisca" came back from the presses on May 11, 1949.

It was eight days early. With one hundred eighty pages it is considered an outstanding annual.

It is divided into many sections, the most prominent of which are the four classes.

The fly leaves are decorated with a picture of the high school and the front piece is a picture of Miss Carolyn Langston, to whom the annual was dedicated.

The Senior class pictures follow, and immediately after, the lower classes. Pictures of the several organizations in high school follow, each with a brief account of the present members of the organization. A very good and original array of snapshots is scattered throughout the advertising section.

This annual has been claimed to be the best annual that G. H. S. has ever produced. As the Seniors and other students look at them in the future, they can be sure of the class of '49, for it is one of the outstanding classes to graduate from G. H. S.

### 'The Tavern' Pleases Many Theatre Goers
