**James Marshall Shumate**

James Marshall (Knotty) Shumate, a prominent member of the senior class, was born September 18, 1932.

Since coming to high school, Jimmy has made quite a record for himself. He has held such class offices as cheerleader and treasurer. This year he is Treasurer of the S.A.

Jimmy has played one year of varsity and one year of junior football. He has also played two years of junior basketball and is a member of the current varsity basketball team. He weighs in at 150 pounds and stands 5 feet, 11 inches.

After graduation Jimmy plans to attend the University of North Carolina. He says his greatest ambition is to defeat Coach Jeffrey in tennis.

His favorite foods are steak and French fried potatoes and bananas. As far as movie stars are concerned he'll take Hopalong Cassidy and Virginia Mayo.

After Jimmy graduates from college he hopes to go into the field of medicine.

**G. F. Seymour**

The year nineteen thirty-two was a fortunate year in many respects. It is termed fortunate by historians as the year Roosevelt was elected, but fortunate too were Goldsboro High athletics. That was the year, by the way, that G. F. Seymour made his entrance into Wayne County.

Despite a bad knee that has managed to give him trouble always during football season, G. F. has nevertheless shown what he is capable of doing. He reported for football practice this season midway the schedule, after wrangling the "o.k." of the "Doc", and without previous varsity experience went on to win a letter on the best grid squad Goldsboro has put on the field in quite some time.

This should give you some idea of the athletic abilities of G. F. Taking full advantage of his healed knee he is now running on the first squad of Earthquake cagers, and plans to try his hand on the diamond come spring. George is adapted to all sports and besides football, basketball and baseball is a remarkably fine swimmer and is possessor of a runner-up trophy in the tennis tournament sponsored last summer by the Goldsboro Tennis Association.

Even in the summer his chief interest is athletics, and last vacation he worked with the Wayne County Recreation Council in connection with its summer

Members of the 1949-1950 Junior basketball squad are: (left to right) front row: Bud Ellis, Thir drow: Manager Happy Smith, Bobby Sasser, Charlie Norwood, Johnny Carr, and Jay Max-Dick Howard, Lloyd Davis and Coach Chick well. Second row: Bert Howell, D. C. Daughtry, Doak.

## Future Homemakers See Moving Picture

A picture, "Shy Guy," was presented to the Future Homemakers of America at a county rally held at Nahunta, Wednesday, January 18.

The picture was followed by open discussion among the girls of questions raised by the picture. The theme for the program was boy-girl relationships. Hilda Westbrook, vice-president of the county chapter, was in charge of the program.

The success he has gained in varsity competition he attributes to the experience gained in Midget, Jay Vee, and intermediate athletics. The Goldsboro Midget Maroons captured the Midget conference title twice during years he was a member of the squad.

In addition to his accomplishments in the field of athletics, George is class historian, a member of the student council, and is currently undergoing his Varsity Club initiation.

G. F. says that he is undecided about his future other than the fact that he plans to enroll at N. C. State next fall.
