

This & That

by Sara Thompson

The Junior is really on the ball! Certainly nothing slow about them! Yes sir, they have already elected the Gohisca Staff for '50 and '51. Harold Kadis, an outstanding scholar, has been elected to head the staff as Editor-in-Chief. (The entire staff is listed in the news story on page one.)

Three additions to the Junior Class marshals are Bobby Anderson, Jack Scott, and Melrose Coward. Congratulations.

Sub-Freshman Day

Sub-Freshman Day, April 17, was really a big success. Nobody gave us any instructions on how we were to behave, therefore giving the sub-freshmen the opportunity to see G.H.S. students in the normal routine of an average day. (Oh, brother!) Much time and work was spent in the preparation of Sub-Freshman Week by the Reception committee. Margaret Bissette is chairman. They should have had Donald Jordan sing "Poor Papa" for them.

Junior Week

Sure hate to see JUNIOR WEEK end! Always did like to be first in lunch line. Those seniors looked mighty pretty yesterday. Too bad they don't look like that all the time. Don't get the idea that the JUNIORS don't like the Seniors. We love 'em.

Thomas Slade, a rising Junior he hopes, was running for treasurer in the recent class elections. Several of the class had already voted when some bright person discovered that Thomas' name wasn't on the ballot. So they started all over. Better late than never! Other than that, everything went smooth as silk. Thanks to the Board of Elections. Congratulations to all the winning S.A. and class officers.

SUPPORT NEW OFFICIALS

Our officers for next year have just been elected and they were chosen by the students at school.

We are all responsible for putting them in office but our responsibilities don't end there.

Each and every one of us must back up our recently elected officers for next year, because without our support they can't fulfill their jobs. These officers represent us and it is just as important for them to be proud of whom they represent as it is for us to be proud of our representatives.

WE HONOR

James Carlie Hinnat

James Carlie Hinnat, better known around GHS as "Pecker", hails from a little community known as Belfast just outside Goldsboro.

Carlie was born in Belfast on April 2, 1930. He began his career as a scholar there, transferring over to Pikeville to go through the eighth grade. Carlie then moved up in the world and journeyed over to GHS to further his learning.

Six feet, 190 pounds, brown hair and very bright brown eyes just about covers Carlie's description. His favorite foods are salads of any kind, but chicken salad is preferred. He enjoys Geometry and Radio more than his other class subjects. "Dating Shirley" about sums up everything included in his favorite pastimes. That is along with his church work and sports.

Makes Good Record

Carlie was a stranger among his classmates when he first came into GHS from Pikeville as a freshman. But his friendly agreeable ways won him much popularity along with responsibility and work. He began his climb in sports in his first year by playing Junior Varsity football. All together he has played three years of Junior Basketball, two years of Junior and two years of Varsity football, and one year of Junior baseball. He was taken into the Varsity Club during his Junior year. When asked which was his favorite sport Carlie's reply was "That all depends on what season it is."

At the present time Carlie is treasurer of the Senior Class and parliamentarian of the Spanish Club. He served as a member of the S.A. Reception Committee. He was co-chairman of the Junior-Senior Decoration committees when his class sponsored this affair. "Pecker" is a very active member in the Goldmasquers. He served on the properties committee for "The Willow and I", his Junior class play, and recently made the trip to Chapel Hill with the prize-winning play "Trail of Tears" as a part of the stage crew. Much of Carlie's time has been given to church work as can be seen from the following summary of his service. He is Vice President of the New Bern District of the Methodist Youth Fellowship this year, was President of Wayne County Sub-District of the M. Y. F. for the past two years, President of Salem M. Y. F. last year, and Worship and Evangelism Commission Chairman this year. He teaches a Sunday School Class at Salem, and is member of Education Board there. Carlie attended the North Carolina Conference M.Y.F. assembly at Louisburg College in Summer of '47 and two N. C. Conference M. Y. F. assemblies at Louisburg College in Summer of '48 as a delegate to one assembly and a member of the staff at the other. He has attended several Conference and District Youth Rallies.

Carlie's plans at the present time are to enter High Point College at High Point, to study ministerial work. He doesn't know if he will go into mission

Janet Cook

With her philosophy of life being "Let tomorrow take care of itself," Janet Corina "Opera Shoppe" Cook, better known as "Mangy", put aside her cowboy suit, football helmet, boxing gloves and cap pistols and joined the caravan coming to GHS in 1946. Since that time she has proved to be one of the outstanding leaders in her class.

At the present time Janet is serving the senior class as vice-president and the M.Y.F. as president. She is co-advertising manager for the Goldmasquers, of which she has been a member for two years. She belongs to both the Latin and French clubs. During her junior year she worked with the junior-senior, devotional and bulletin board committees. She is co-testator for the Gohisca and recently went as a delegate to the N.C.-S.C.C. in Greenville. She has been an S. A. council member for three years. Janet played the drums in the band her first two years in high school but as a junior transferred her talent to the stage and since has starred in "John Loves Mary" and portrayed the part of Betty in the radio show, "Uncle Jim". Much of her work in dramatics is done behind the curtain.

When asked her favorite food this is what she wrote "tuckey and crabbery sause" (incidentally, Janet, have you read Mr. Webster's latest book? . . . they call it the dictionary). If in a vigorous mood she enjoys a game of tennis, if not she just takes it easy, writes letters and listens to the radio. She prefers her music to be "Always" or something else "slow and sentimental". (We've got to do something about this spring weather.) In movies she'd walk a mile to see John Payne and Betty Grable. She also likes football, swimming, and outdoor camping.

Janet's favorite subject is a combination of latin and teachers' training (wouldn't Julius Caesar be proud of her?).

To be a physical ed director and work with youth is her present ambition, while her choice of a school is not yet definite.

You possess every quality it takes, Janet, so keep the outlook you've got on life and the rest is sure to come.

work or just pastoral work but he says that with seven years of studying ahead of him he will have plenty of time to decide which he will enter.

Whenever a task is placed before Carlie, one can rest assured it will be properly done. Whenever he goes throughout life people will call on Carlie who we know will continue to be the same dependable "Pecker". May success be yours in whatever you undertake. We wish you luck, Carlie.

NEXT YEAR'S FRESHMEN

Sub-Freshman Week at G.H.S., the purpose of which was to acquaint the eighth graders with High School, was observed April 17-21.

On Monday the S. A. Council went over to William Street School so that the students could understand how the council operates. Tuesday the sub-freshmen came to high school. They listened to the S. A. election campaign speeches and visited some of the classes. The presidents of the various clubs spoke to them about their club activities. A band concert was presented to them on Thursday and on Friday the reception committee gave the eighth graders a test on the S. A. Handbook.

Sub-freshmen planning to enter G.H.S. in the fall term of 1950 are as follows:

Room 8-1
