

## Earthquakes Defeat Campbell In One Of The Season's Best Games

Playing one of their best games of the season, the Goldsboro High School Earthquakes defeated the Campbell College freshmen 59-47. The Quakes had defeated the same quintet earlier in the season 47-33. The game was floored in the William Street gym on January 26.

The Campbell frosh employed a tight defense around the basket and forced the Quakes to shoot for the basket from a distance. However, much to their dismay, the local squad proved to be very adept at this and had little trouble hitting on the majority of their set shots.

**Hallow and Percise Lead**  
Showing the way for the Quakes were Hallow and Percise with 16 and 13 points. High scorer for the Campbell squad were Maynor and Michaels, each having 16 points.

## Wildcats Prove Too Good For 'Quakes

Superior skill and an effective fast break were the determining factors in the 53-45 loss handed the Goldsboro High School Earthquakes by the Wilmington Wildcats here January 23.

The New Hanover fivesome so far have proved to be the "big boys" in the AAA conference and showed the reasons why as they made the game little more than a formality with the Quakes. With four of the first five men towering well above the six feet and the fifth man considered one of the best guards in state high school competition, the Wilmington fivesome put on quite an exhibition in controlling the ball.

Leading Coach Lion Brogden's charges were Niven and Hilburn with 16 and 13 points respectively. For the Quakes, it was Bell and Hallow with 15 and 14.

## Superior Shooting Wins For Cyclones

Superior shooting ability told the entire story of the game in which the Goldsboro High School Earthquakes defeated the Wilson Cyclones 46-41. The game was floored in the Atlantic Christian College gym on February 8.

The beginning of the game looked as though it would be merely a run-away as the Quakes ran up a 19-7 first quarter lead. The second quarter was played on even terms with the Quakes leaving the court with a 29-7 half-time advantage. The third session proved to be the crucial period when it looked as though the conquered Cyclones would rally to a triumphant finish. The Quakes, however, were determined that victory should be theirs, and so, calmly wrapped up their third conference win.

High scorers for the Quakes were Bell and Percise with 13 and 12 points respectively.

## Quakes Meet 'Dogs In Game Tonight

Tonight at 8:00 the Goldsboro High School Earthquakes will take their home court in Goldsboro against the Durham Bulldogs. They will be attempting to avenge a 70-46 licking suffered at the hands of the Bulldogs in the "Chesterfield city" on January 19.

The strong Bulldogs were currently in third place in the AAA conference, following Wilmington and Rocky Mount.

For the local squad, Coach Bill Causey will rely on his usual starting lineup of Hallow, Daughtry, Bell, Keen and Percise.

# Sportraits

**SAM DONNELL**

One of our sports honorees for this issue is none other than Sam Howe Donnell.

"Big Sam" was born in Lexington, Kentucky, on June 10, 1933. He moved to Goldsboro at the age of 14 and has lived here ever since. Besides the distinction of being one of the tallest boys in G.H.S. he also boasts a large circle of friends gained by his own friendliness. His attractions toward the opposite sex illustrate "Gentlemen Prefer Blonds" and he is often seen traveling to Raleigh.

### Likes Basketball

Sam's sports career has been solely dedicated to basketball. As a sophomore, he showed up well on the junior squad. As a senior he is now completing his second successful year on the varsity squad. During his earlier school career, Sam played a great deal of basketball on the side and this experience has shown up well.

Sam's extra-curricular activities have been devoted strictly to Goldmasquers. He has acted in several plays, including "Trail of Tears" and "The Return of the Vagabond." He has also worked on several radio shows. He sports a short blond haircut and has green eyes. He stands 6'3" and tips the scales at 150 lbs.

At present, Sam's plans after graduation are indefinite. However, he hopes to attend college. We wish him luck all along the road of life.

**WILLIAM GINN**

Sharing the spotlight with Sam Donnell for this issue is William M. Ginn.

William, with his quiet manner and manly way of doing things, has won many steadfast friends.

He was born on June 28, 1934, and has spent his life in various places, having made his home in thirteen different localities during the span of his 16 years. He has lived in Goldsboro during the past four years and resides at 301 South Center Street.

### Varied Sports Career

William has carried on quite a varied sports career. During the grammar grades he took an active part in the activities carried on by the Community Building. He played two years of baseball and one year of basketball for the intermediates. In high school, he played one year of junior football, two years of junior basketball, and is now a valuable reserve on the varsity basketball squad.

Besides athletics, he also takes part in other extra-curricular activities. He is a member of the Spanish Club, flag committee, and the junior class council. He has blond hair and green eyes, standing 5'7", he weights 155 pounds.

After graduation, William hopes to attend William and Mary College where he will study medicine.

"Good luck, William!"

## Rocky Mount Defeats Quakes

A rough and tumble affair ensued Friday night, February 9, in the game in which the Rocky Mount High School Blackbirds met the Goldsboro High School Earthquakes and dealt them a 47-43 defeat. The game was played on the Blackbirds' home court in Rocky Mount.

Fighting spirit was the keynote in this nip and tuck contest. Both teams showed up well during the game. The fourth quarter was by far the most exciting session. The ball handling tactics employed by both teams afforded the crowd many thrills.

Taking scoring honors for the night for both teams was the Quake center, William Bell, with 20 points. High scorer for the victors was Futrelle, with 13 points.

## Wilmington Proves Too Much For Team

A crushing 40-22 defeat handed the Goldsboro High School junior varsity squad by the Wilmington jayvees was the outcome of their first engagement during this season. The game was played in the William Street gym in Goldsboro on January 23.

The New Hanovers proved to be too good at handling the ball and controlling the backboards for the Baby Quakes to offer too much competition. The height of the junior Wildcats was also a decided advantage.

Leading the Wilmington fivesome to their victory were Peterson and Gaddy, each getting eight points. For the Baby Quakes, it was Ward and Jenkins with seven and five points respectively.

## — CURRENT TIPS —

Would you like to surprise your mother? Why not prepare dinner for her sometime — it would mean so much to her. Remember, she prepares three meals every day! When you get home from school, surprise her with this simple, yet very delicious dish:

### POT ROAST

— with —

POTATOES AND CARROTS

Select a 3-pound chuck or rump roast. Sprinkle roast with about 2 teaspoons salt and pepper. Turn your deep well cooker on High and add 22 tablespoons fat. Brown roast well on all sides. When roast is brown add 1 cup of tomato juice or water. Cover deep well and cook on High heat until steam emerges, then turn cooker to Low for an hour. Scrape vegetables, carrots, 1 onion, and potatoes, and turn switch to High until steam is again visible, switch to Low heat and cook for another hour.
