

## Mrs. Lundy Recalls Honors, Long Friendship With 'Bill'

Lundy, Mr. and Mrs. work as a team and it is difficult to speak of one without including the other. They lived in the same town, dated all through high school and college, and were married on August 12, 1941. They've been doing things together all their lives and it seems only natural to think of them both when you say the name Lundy.

That's the love story behind one of RMHS's favorite husband and wife teams, Mr. and Mrs. "Bill" Lundy. When contacted for information about her life's history, Mrs. Thelma Lundy said modestly, "You should talk to Bill. His past is much more interesting than mine. I'm a very average person and I've never done anything outstanding. Perhaps, I should make up some honors to keep the interview from being so dull."

Is it dull to be a favorite personality among teachers and students alike? Being the physical education teacher here for almost four years certainly deserves some credit.

### Two Loves Since High School

All sports and a certain "Bill" have been Mrs. Lundy's love since high school. Although she was born in Roanoke, Virginia, she moved to Erwin, Tennessee, at an early age. She was on the basketball team and received her share of athletic awards at Unicoi County high school. "My only real honor was being on the Honor Roll for two years," explained Mrs. Lundy.

Since she enjoyed participating in sports so much, Mrs. Lundy decided to major in this field at Tennessee State. She listed basketball, softball, volleyball, tennis, croquet, archery, ping pong and badminton among her sports in college.

Mrs. Lundy traveled all over the country when her husband served in the Navy during World War II. Since this time she has been busy teaching and rearing the two little Lundys, Mike and Jerry.

Now, how could Mrs. Lundy still call her life dull and just plain average?

## Editor, GAA Pick Students-of-Month

Billy Proctor, the fast and sure Blackbird scoring ace has been chosen Bird-of-the-Month by the Sports Editor. He played forward on the past season's basketball team.

Billy, a transfer student from Greensboro, managed to keep among the squad's top scorers, despite his ineligibility for a number of games due to scholastic difficulties. After only two years of basketball experience, he has received an honorable mention on this year's all-state squad.

### Spain, GAA of the Month

Janet Spain has been chosen GAA of the month. She has been in the GAA's for two years and has received the emblem and is now working for the letter.

Last year she attended "Play Day" in High Point, N. C., participating in volley ball and running events. She plans to enter in the tennis and volleyball competition this year. This past semester she served as secretary and was elected treasurer for second semester.

She has played on all intramural teams of homeroom 207. Her homeroom was champion in the volleyball and basketball games this year. Besides serving as an officer in the GAA, Janet was secretary of the sophomore class. She is in the Good Sports club and the National Society.

Janet says all sports are her favorites and she is a State College fan.

Congratulations are in order for Smokey Lancaster, Blackbird forward, who was chosen for the All Eastern Team. And also for Dave Barnes and Billy Proctor who received honorable mention.

Lancaster also holds the record for individual scoring in Rocky Mount high school.

When Rocky Mount went to the State AAA Tournament and drew Burlington for the first game, it looked like the Birds would have a good chance of coming out near the top. But the Birds got off to a slow start getting only one field goal in the first quarter and Rocky Mount was defeated in the first game. Maybe the Birds will have better luck next time.

Spring is coming and three new sports—baseball, tennis, and golf—enter the field.

Coach Cleetwood has 25 boys on his baseball team with 7 lettermen returning from last year.

Coach Adkin's golf team has seven boys, five who returned from last year.

The tennis team, coached by Mr. Lundy, has sixteen boys. Ten of these played last year.

All of these teams look strong and have a good chance for having a successful season.

## Team Needs No. One Man; Goldsboro, Major Opponent

### Boys Pick Mears As AAA Sponsor

Mary Jo Mears represented Rocky Mount as sponsor for the basketball team at the AAA Tournament in Winston-Salem, March 12-13. She was chosen by the members of the varsity basketball team.

Mary Jo left on a Thursday and returned the following Saturday. She attended the basketball game Thursday afternoon and sat with the team. Since they lost, the team came back Friday morning. Mary Jo remained Friday night for the selection of a queen.

"It was real nice and I had a wonderful time," commented Mary Jo about the trip.

Honors of this type are not new to this junior girl who has been a football sponsor two times, who has been an active participant in the Miss Print contest, and was recently nominated as one of the eight junior candidates for the junior-senior beauty court.

### Kramer Casts Plays

Plans are being made by the Edsonians to attend the annual North Carolina Drama Festival in Chapel Hill, April 15-19.

Mrs. Mildred Kramer, the adviser of the group, has picked and cast two one-act plays—"Good Medicine," a farce comedy, and "Two Crooks and a Lady," a heavy drama. Members of the cast of "Good Medicine" are Newsome Maples, Dr. Graves; Patsy McAuley, his wife; and Christine Huffman, Hetty. The cast of "Two Crooks and a Lady" are Joe Whitehead, Miller; Christine Huffman, Mrs. Symes Vane; Suzanne Covington, Lucille; Kay Sanders, Miss Jones; and Grady Gardner and Newsome Maples, two policemen.

The group is taking with them a scrapbook which will be judged too.

Wanted: A good number one man for this year's tennis team. Must be capable of winning at least nine of his twelve matches. Those interested with above qualifications are asked to contact Mr. Lundy at once.

This ad must be answered if this year's tennis team is to have a successful season. According to Mr. Lundy, the outlook for the team is just fair. There is little hope of the boys' being as good as those of two years ago. However, they might shape up and be as good as last year's team.

### Open Season With Wilson

Rocky Mount opens the season with Wilson, April 7. Judge Johnson, Jimmy Daughtridge, Lloyd Hedgepeth, Smokey Joe Lancaster, Dave Barnes, Dwight Hinton, Billy Colston and Fred Reuben compose the team. At this writing Coach Lundy hesitates to say who may prove to be outstanding. Practice and actual playing will find this person.

Goldsboro team now appears to be the local's toughest opponents again this year. The Blackbirds have won eighteen and lost four matches in the past two years. These four losses were at the hands of Goldsboro. For the most part the same team responsible for the four defeats still plays for Goldsboro.
