

February Rotary Couple Selected Service Club Is Feb. Club Of The Month Ch.

Jim Middleton's selection as Rotary Boy comes as no surprise to those who know him. He has shown himself to be an all-round student, both in and out of school.

His school activities are as varied as his out-of school activities. Jim is a member of the National Honor Society and Phalanx Club and is also serving as Vice-President of the Senior Class.

His extracurricular activities include playing in a combo known as the Tempests and skin-diving. He became interested in skin-diving in the fifth grade because of the T. V. show Sea Hunt. He decided then and there to save his money and buy the necessary equipment for skin-diving.

Startling Experience

Many things can happen to a skin-diver. Once, when Jim was diving in a lake in Florida, he ran out of air. When he sur-

Talent Show To Be Presented At March Assembly

The Senior Class of RMSH will present a special talent show assembly on Friday, March 20. It will be a well-rounded show of senior talent. The auditions for the show were held Monday night, February 20.

The senior talent show committee consisting of Roger Stancil, chairman, Scott Ryals, Joan Meeks, Barbara Overman, Bryan Tuttle, and George Clack. The "Senior All-Stars" will be the main attraction. The singers, called "Tony and the Tigers", are Tony Dennis, Roger Stancil, Dan Ballance, Bill Meakin, and Mack Pridgen.

When asked how she felt about receiving those honors, she said, "I feel very insignificant when I compare myself to other students here at RMSH. I cannot see where I have accomplished very much during

my stay here, but very fortunate to be a small part of this school." We all know that Sharon has accomplished a great deal.

Perhaps the major reason for the selection of Sharon for these two honors is that she is a typical student. She is well-known and well-liked by students. She likes to watch sports. In doing so, she shows the qualities of a Good Sports Club member.

Sharon Takes Two Honors

February is a "red-letter" month for Sharon James. Sharon is Rotary Girl and the recipient of the Outstanding Student Car.

Although she was Secretary of the Senior Class during the first semester, she managed to stay on the Honor Roll. She intends to continue this practice while she serves as Vice-President of the National Honor Society.

Sharon works every afternoon after school and on Saturdays in the office of Low's, Inc. She plans to work there through this summer and in the fall attend Hardbargers Business College.

Even though Sharon does feel insignificant in the life of RMSH, it is students like her that help to make our school one of the best.

"He profits most who serves best."

This is certainly true of all of R. M. S. H.'s service clubs and especially of the Service Club. It is one of those groups which is always bustling with activity, always on the go with some new project.

The Service Club has no catchy name to mind its many good deeds, no inspiring motto to represent its ideals. The club needs no motto—its name tells its purpose. To serve the school and community well is its objective, and to that end the club's members wholeheartedly devote their efforts.

The Service Club's president is probably one of the busiest people at Senior High. It is he who supervises all the club's activities and keeps it headed toward its goals. In this, President Johnny Gower ably led the club during 1966. To continue in the tradition, the club has recently elected a new slate of officers. They are: Jim Brennan, President; Mark Fafalios, Vice-President; Brenda Thompson, Recording Secretary; Betsy Mann, Corresponding Secretary; and Steve Bunn, Treasurer.

Service is a year-round pro-

position with the Service C. O. Each Friday assembly is preceded by a well-planned devotion given by a member of the club. Every morning and afternoon, before and after school, dedicated public servants (also members of the Service Club) can be seen from the windows of A hall struggling as they try to raise and lower the flags. Each autumn the club sponsors the Homecoming Parade. At Christmastime club members get together a gift of food and clothing for a family in need. The Service Club is also responsible for the annual Christmas assembly program to which the entire school looks forward. To enhance the meaning of the Easter season, the club holds a sunrise service each year at the Trinity Lutheran Church the Thursday before Easter. Coming up March 23 at 7:00 A. M., this is one of the club's most important projects. And at the end of the year, a \$100 scholarship is awarded by the club to a deserving senior.

This club certainly deserves our support. By attending the upcoming sunrise service on March 23 we can show our appreciation for their efforts to enrich our school year.

heir jobs. What has happened to male cheerleaders? No one really knows for sure. Whatever the reason, boy cheerleaders have faded out and today the squad at RMSH consists of thirteen members, all girls. The boys in high school today probably have never even

team or who won the last tennis match. It is great to have so much enthusiasm for football and basketball, but the boys who are playing spring sports would also like to know that the school is behind them. These boys work just as hard as boys playing the fall sports and they deserve our support.

Spring School Spirit

In years past school spirit in spring sports has been lacking. The track, golf, tennis and baseball teams have few supporters. During football and basketball seasons, spirit is comparatively strong. There are

the number of members composing the team and prevents a wide selection from which our coaches may choose the best team. Thus it lessens our chances of being the very best possible.
