Senior Receives Rotarian Grant

On Monday, May 12, all the Rotary Girls and Boys of each month of the school year were invited to meet with the Rotary Club, and the day proved to be especially happy for Sherry Brabham.

Excitement was evident as Miss Kitchin was introduced to announce the winner of the \$300 Rotary Scholarship Award. She immediately named Sherry and convinced the Rotary Club members of the wisdom of the decision by giving a long list of Sherry's accomplishments. For once, Sherry was at a loss for words.

Rotary Girl

Sherry was Rotary Girl for the month of December. Everyone knows and loves this vivacious blond. The student body expressed this feeling by electing her an Outstanding Senior. Additionally, she was chosen Recorder of the Student Involvement Committee.

She likes practically everything that doesn't bite, but especially loves roses, pansies, chocoate, lemons, and boiled peanuts. Quite a variety! But we musn't forget her trout fishing! Even if she doesn't catch anything, it's still her

favorite sport.

An active church member, Sherry serves as an interpreter for the deaf at the First Baptist Church, and plans to devote her life's work to helping the deaf.

The sincere congratulations of the Blackbird staff go to Sherry Brabham, scholar.

The annual \$100.00 scholarship given by the Service Club was awarded to Brenda Dew. Brenda will receive a letter of congratulations in Awards As-

sembly June 4. The money will be forwarded to Harbarger Business College in Raleigh as part of the payment for Brenda's tuition. Brenda plans to become an airline reservationist.

The Service Club Scholarship is given every year to some deserving senior. The award is not necessarily given to the student with the greatest financial need, but to the student who has demonstrated he qualifies for the honor.
