Good old Winston Salem State University will have to put up with Freddie Joyner, Joyce Ann Felix, Michael A. Laverne Lewis will serve as that person this year.

For May, Rotary Honors Cheerleader And Drummer

The Rotary Couple for the month of May is Queen Watson and Bill McCullen. Queen's wit, laughter and vivaciousness sparkle in the halls of RMSH. Bill McCullen's rhythm saved many an assembly, and his steady leadership aided the National Honor Society through its fall tapping.

Queen Watson
Queen is the daughter of Mr. and Mrs. James D. Watson, Sr. of 117 West Thomas Street. Queen undertakes quite a number of activities in and out of school. She has been vice-president of her homeroom, co-head Cheerleader, President's Cabinet member, Outstanding Senior, participant in the Debutant Ball, member of T.A.C. Club, and a junior usher of the Little Hope Baptist Church. Her future plans haven't been completed as of yet, but aspirations lend toward Charlotte.

Bill McCullen
Bill is the son of Mr. and Mrs. James L. McCullen of 724 West Haven Boulevard. This

fellow is super-involved with RMSH activities . . . and if he's not doing something constructive he's working at the Motor-Valet Car Wash on Church Street of McCullen's Supermarket. This young man has shared his talents with RMSH . . . by being President of the National Honor Society, receiving academic superiority, being a member of the Cabinet, Human Relations Committee, Fire Drill Committee, and Philosophy Club.

Bill plays percussion drums in the RMSH band, Dance Band and Pep Band. Not many people realize that he comes to school a little earlier than most of us, and manages the Student Store.

Bill plans to visit Quebec, Montreal, Toronto, and Otawa this summer. (He's already traveled to New England states and cross country to California.) Bill admits that he is excited about going to N. C. State next year and plans to go into either Aeronautical or Nuclear Engineering.
