

MRS. ALICE HART and Mrs. Vivian Anderson, new secretaries have a natural talent for keeping a smile under the most adverse conditions.

## Two New Secretaries: A Welcome Addition To RM

We welcome our two new secretaries to R.M.S.H.! One of our secretaries is Mrs. Vivian Anderson, who was previously employed at Braswell school for ten years. She is enjoying her work at R.M.S.H. and feels that the system has worked exceptionally well. She also holds a strong admiration towards the school's social adjustment, and is happy to see it work so well. Mrs. Anderson is really enjoying the older students and especially our redecorated office. She has a son here at R.M.S.H. in the eleventh grade and a son that graduated in 1970.

Mrs. Alice W. Hart is our other new secretary. Mrs. Hart was employed at Parker Junior High for approximately ten years before coming to R.M.S.H. She is a Rocky Mount native and has a son at Baskerville elementary school. She is enjoying her work with the

Rocky Mount school system and will hopefully stay at R.M.S.H. for many years to come. Mrs. Hart feels that the school has progressed greatly and is fascinated with the commercial department.

We hope these ladies will enjoy R.M.S.H. and plan to continue their work here.

### Holiday Schedule

- October 29 - Holiday - District teacher's meeting.
- November 25-28 - Thanksgiving Holidays.
- December 18 - January 2 - Winter Holidays
- January 25 - Third day of extended term. Holiday students.
- March 30 - April 1 - Spring holidays.
- June 5 - Commencement.

## New Teachers

(Ed. note: Walking around the campus at RMSH, one sees many new faces, both students and faculty. The new faculty members will be featured in future editions. This article is the first in a series which focuses on the new faculty members.)

Along with the new 1971-72 administration and rules, RMSH welcomes many new teachers. Our huge family of teachers has expanded to include these new faces: Mrs. Dorothy Sampson, Mr. Howard V. Cutts, Mrs. Geraldine Hargrove, Mrs. Norma Phillips, Mrs. Linda Ameron, Mrs. Betty Penny, and Mr. Stanley Bastian.

In each edition, a different teacher will be featured. This week, we talked to Mrs. Dorothy Sampson. Mrs. Sampson is a native of Indiana. She moved to Rocky Mount six years ago from Kentucky. Mrs. Sampson is married and has two children. She was graduated from Wesleyan last June and is presently teaching Algebra II and practical math at RMSH. Welcome to RMSH, Mrs. Sampson.

## Take A Look

During the summer, R.M.S.H. was not closed completely as we would prefer to believe. Actually, there was much reconstruction and planning going on. Along with the new principals, teachers and secretaries, the offices have taken on a new look. During the hustle of school activities, many students may not have noticed the clear, glass doors which reveal plush wall-to-wall carpeting and panelled, mahogany walls. With R.M.S.H. changing with new and better ideas, the new office seems to be better suited for the hard workers who reside there.
