### Final Rotary And Kiwanis Honor Recipients Chosen

May will certainly be an unforgettable month for this year's seniors, as it is their last full month of attendance in high school. It will be especially memorable for this month's Rotary Couple, LaVern Williams and Ronnie Osborne, and Kiwanis Boy, David Jordan.

#### LaVern Williams

LaVern is an industrious girl with plenty of work to do to keep her busy. She is known around school for her pleasant personality and her willingness to work.

During her spare time she likes to read, but she finds there isn't much time for this. LaVern is treasurer of Deca, 3-B District Secretary - Treasurer, and was first semester President of her homeroom.

LaVern was surprised about the award, but very pleased when asked how she felt about this school year she replied, "Overall it has been a good year, but RMSH could still use some improvements."

She plans to continue her education at North Carolina Central University in Durham. LaVern's statement concerning her leaving RMSH was "we all gotta go sometime."

#### Ronnie Osborne

Although Ronnie is a new student at RMSH this year, he has made himself known by the hard work he has done for the school. His interest in student - government and politics speaks for itself. He is Vice - President of the senior class and was President this year of the Rocky Mount Teenage Republican Club. Ronnie also serves on the Assembly Committee here at school.

When he isn't busy with student government or politics, he enjoys swimming and playing tennis and basketball.

Ronnie's comment about RMSH was, "I like the school because I feel the teachers take a special interest in each student and also because RMSH
