## OCTOBER COUPLE CHOSEN

October brings us many things, including a new Rotary Couple. This month we extend congratulations to Chip Pearsall and Shirley Bullock, the two seniors who have been chosen for this title. Chip Pearsall

Chip is the son of Mr. and Mrs. Harry S. Pearsall, Jr. of 737 Westwood Drive. Chip is one of the most active members of the senior class. He is a member of the Kudos Club and the National Honor Society. He has held the office of vice president of his sophomore and junior classes in addition to homeroom offices and has served on a reaccreditation committee. He is the editor of the Hi-Noc-Ar, also.

Although Chip stays very busy with his school activities, he finds time to enjoy basketball, water skiing, and camping. After graduating

from Senior High, he plans to attend the University of North Carolina at Chapel Hill. Chip stated, "It is a great honor to be selected as Rotary Boy. I am very proud to have been chosen."

### Shirley Bullock

Surely everyone has seen the smiling face of Shirley Bullock, one of our homecoming sweethearts, around campus. Shirley can be seen at our football games because, in addition to being the Rotary Girl, she is a majorette. She is the treasurer of the SRA and is also the vice president of the Kudos Club. Shirley also belongs to several local clubs. She is the daughter of Mr. and Mrs. Logan Bullock of 108 Lucas Circle.

In her spare time, Shirley enjoys dancing, sewing, and playing tennis.

## RMSH Clubs Begin To Plan Activities

A student can represent his school by joining the various clubs here at Rocky Mount Senior High. Three active clubs started the school year with a bang by making plans for the future and beginning projects that will benefit the school in numerous ways.

The newest club is the FHA (Future Homemakers of America). Mrs. Penny is the advisor of the club. The project that they are now stressing is making odds and ends for hospitals and rest homes. The FHA meets in the cafeteria at 8:00 a.m. for girls taking Home Economics or having at least one year in a Home Economics class. The purpose of this club is to prepare girls for homemaking in the near future. Although this club has just started, it has many plans for the future, and it wants to carry out these plans as soon as possible.

The purpose of the Booster Club, is to promote school spirit in the school and to get outside support. The newly elected officers of the club, President - Rebecca Buffalo, Vice President - Ann Wheelless, Secretary - Alison Davenport, Treasurer - Terre Kilpatrick, and Miss Casandra Hitchcock, the Booster Club advisor, are all striving to make this year SUPER!

Some of the projects of the Booster Club include providing football schedules

for each homeroom, buying drinks for people in the Press Box at the Varsity Home Football games, and selling programs at Home Basketball games. Regular meetings for the Booster Club are held every other Tuesday afternoon from 3:30 until 4:00.

The oldest club is the Good Sports Club, which meets every Thursday afternoon. The officers of this club are President - Susie Sullivan, Vice President - Renee Wilkins, Secretary - Tricia Edwards and Treasurer - Debbie Gill. The advisors are Mrs. Marie Bridgers and Mrs. Barbara Edwards. The purpose of the Good Sports Club is to support all the school's athletes through good school spirit and projects. One of the projects of the club is working on right now is the athletic cookout. Past achievements of the Good Sports Club include selling ribbons and corsages, making a mini-parade float, and making confetti for Homecoming. The Good Sports Club really puts forth a lot of work throughout the whole year.

The FHA, the Booster, and the Good Sports clubs display a tremendous amount of enthusiasm for their school. Though it is shown in different ways through different activities that take place in each club, it all means the same thing .... SPIRIT! Let's join in the enthusiasm by pushing them and their activities 100 percent.
