

BULLDOG BARKS

ATHLETES OF THE MONTH

SUE BARRINGER

Sue Barringer has been chosen as the girl Athlete of the Month, not for playing basketball, for which she is most widely known; but for her outstanding performance in the Third Annual Field Day.

Sue was the only student in high school, boy or girl, who won two events. Showing excellent form in the girls' broad jump event, she leaped 6 feet and 10 inches to capture top honors in that event. Shortly afterward, the P.A. system on the field blurted out "Barringer of the eleventh grade has won the girls' softball throw event with a throw of 40 yds., 27 ft. and 10 inches."

Sue was a forward on the A.H.S. girls' basketball team, which finished in second place in the South Piedmont Conference, and is very active in various other clubs and activities around the school. She is an active member of the Monogram club and the Booster's club.

Drawing Classes Tour Badin Plant

Supervised by E. F. Wilson, the D.O. and Mechanical Drawing classes left the high school Tuesday morning to make their annual tour through the Carolina Aluminum plant in Badin.

Each year these classes make the trip to Badin to tour the aluminum plant. This year, the students were supplied with a guide, one of the employees at the plant, who carefully explained the machinery and functions of the plant.

In addition to the aluminum plant, the students were, for the first time, taken to the power dam, which generates the electric power for the Badin area. Here, they observed the workings of the generator and various other machines necessary to the making of electricity.

Chorus Is Heard By Woman's Club

The A.H.S. Mixed Chorus sang at the entertainment feature of the annual luncheon meeting of the Albemarle Woman's club April 21, at Hotel Albemarle.

Selections sung by the Mixed Chorus were "Send Forth Thy Spirit", Schetky; "Come, Thou Holy Spirit", Tschesnokoff; and "Look For the Silver Lining", Jerome Kern. The Girl's Ensemble sang "Among My Souvenirs" by Nichols. Harold Hudson and Conrad Crotts, soloists, sang "Lord's Prayer" by Malotte, and "Verdant Meadows" by Handel, respectively.

BEN MORRIS

Ben Morris, whose speedy running was almost overlooked by the senior athletic committee, flashed through the whole field of contestants to win the 50 yard dash event in Field Day last Friday. Although Ben is usually thought of as the top trombone tooter in the band, he is also a first class speed merchant.

Ben, a senior from Mr. Fry's homeroom, has always been one of the swiftest runners in his class. In the fifty yard dash event Ben was challenged by the best speedsters in the high school, and, showing championship form, he led the pack to win first place.

Because Ben didn't enter the 100 yard dash, there is some doubt as to whether he is the fastest human at A.H.S., but to be able to win the 50 yard dash a runner must be a fast starter because of the considerably short distance. To win the 100 yard dash a runner must be fast and have the endurance to out-run the others.

Ben is well-liked by all the students at A.H.S. who know him. He is very active in the music department of the school, being in both the band and the chorus. For his outstanding feat in Field Day Ben Morris receives the title of Athlete of the Month.

Maid Is Holder Of Lucky Ticket

On every Easter Monday, the Fullback club of Charlotte gives away a new car. This past Easter Monday the lucky person came from Albemarle, where she is maid of the high school.

Louvenia Kendall, while attending the baseball game between Harding and Asheville, held the lucky ticket to win the new Ford. She took the car, then decided she didn't want it. She took it to Kannapolis and sold it. With the money, she finished the payments on her new home.

Other candidates were Carolyn Poplin, Bob Barringer, Edith Mauldin, Harry Pawlik, Marie Roscoe, and Carol Davis.

T. B. Test

All seniors have been proved OK by a T. B. test recently given by the county health department.

Juniors Win Field Day

Awards will be given in assembly next Friday to all contestants who won first places in the annual Field Day, which was held last Friday afternoon.

The eleventh grade, winner of Field Day, won a first place in just about every event and had a total of 171 points. The runner-up, twelfth grade, had a total of 109 points; the tenth grade, 76 points; the eighth grade, 30 points; and the ninth grade, 10 points.
