

Through The Keyhole

We hope you have enjoyed reading our column as much as we have enjoyed writing it. Just remember: Fool's names like fool's faces always appear in public places.

"YOUNGUN" and "SWINK"
We see that "Mr. Mac" has really been getting around lately. This was taken from the Concord paper, "The Weavings":
Who: Mac McFadyen.
Likes: Women, milkshakes.
Dislikes: None.
Ambition: To be a football player.

Dwight Cranford to "Cob" Griffin; "You stole my girl friend — you horse thief!"

As the judge called order in the court Hoyle Gilbert ordered a Pepsi.....

Jack Lee: "Do you like to dance?"
Barbara Smith: "Yes, I love to!"
Jack: "Fine! That's better than dancing anytime!"

Mrs. Peiffer: "In this scene, my dear, the young man rushes into the room, grabs you, binds you with rope from head to foot and then smothers you with hugs and kisses."

Ellene Holbrook: "Is he tall, dark and handsome?"
Mrs. Peiffer: "Yes, why?"
Ellene: "Then he won't need any rope."

Conrad Crotts: "Will you call your mother if I kiss you good-night?"

Jo Fox: "Certainly! But she isn't home!"

Larry Lowder: "My uncle has a wooden leg."

Kent Willis: "That's nothing; my aunt has a cedar chest!"

Advice to the boys of A. H. S.—
When a girl finds out that she isn't the only pebble on the beach, she usually gets a little boulder.

Mrs. Fry: "Bob is it correct to say *this ere* and *that air*?"

Bob Morton: "Well, I don't care whether it is correct or not, but I feel cold in this ear from that air."

A patrolman pulled up beside Terrell Crisco and said: "Young fellow, why don't you use both hands?"

Terrell then replied: "You are very understanding, sir. But I can't. I've got to keep one hand on the wheel."

Max Lambert: "I gotta sedan outside."

Carolyn Poplin: "Ask him in for a dance."

Editor's Scribblings

By COUSIN ROY

I guess it's now or never, and so I'll say goodbye to all my readers. I sincerely hope you have enjoyed reading this column as much as I have writing it!

School elections were held last week and the Student body made some wise choices. With these boys and girls in office we Seniors won't worry about the way the school is run next year.

Now that the elections are over, I'd like to place a few nominations before the student body. Briefly they are:

I nominate:
The cafeteria workers as our foster mothers of the hour.

Mr. MacFayden as the best all round principal in the state.

Conrad Crotts for the Laurence Melchior of 1960.

Tommy Lilly, Bill Grigg, Dwight Cranford, and Bob Barringer as the best high school speakers.

Miss Teague as the most efficient social leader of A.H.S.

Jimmy Austin as poet laureate of A. H. S.

Gene Laughter as the school's best artist. Nice drawings in *Crossroads*, weren't they?

The 33 members of our *Full Moon* class as superb writers, because they have made the paper so readable this year.

The Junior boys the minstrels of the year.

Harry P. and Sara S., Larry L. and Jane R., Bill G. and Jane S. as A. H. S. best couples examples.

Coach Webb for intramural director of the state (if he can do it here, he can do it anywhere.)

Bob Barringer as the best sportsman in A. H. S.

Hoyle Gilbert as the senior class comedian.

Doris, Connie, and Ellene as the best all night hostesses.

Sarah Poplin as the senior brain.

Barbara Setzler's cabin as the best place for parties.

Henry Forrest as the musician of the year.

Mot Moore as the best lady physicist in the Senior class.

The Jr. Sr. Prom as the dance of the year. It was really swell, Juniors!

Johnny Knight and Jo Fox as actors of the year. Remember the Sr. play.

Virginia Lee, Marie Roscoe, Alline Dennis and Vernon Lisk as super Librarians.

Hattie Tucker as the best Senior date.

I guess I could go on all day naming my nominations; but it's too hot to think. Speaking of weather, I read the other day that a survey revealed that older people prefer mild winters and young couples liked nice springs better.

Do you know anyone who could be in such a predicament as the old maid who sued the hotel for mental cruelty because they gave her a room between two honey-mooning couples?

Well, it certainly has been fun, guys and gals, and please don't forget any of us seniors next year. We'll be gone you know, and someone else will be writing this column. I know, you're thinking "joy, joy".

Well, goodbye to some of the swellest people I know — you students of A. H. S.

WHO'S WHO

Mary Helen Cooper

Harry Pawlik

If you are a cute boy with personality plus, a "nice" physique, good looks, intelligence, and consideration for the opposite sex, you have a pretty good chance to date her. Who? Why, that 18-year-old, 5 ft. 5 in., green eyed, brown-haired dream of a cheerleader who goes by the name of Mary Helen Cooper.

She plays the piano, she dances, she sings, she collects souvenirs, she eats strawberry shortcake and hamburger steak, she likes Bill Lundigan and Janet Leigh at the movies, and she prefers the song "My Foolish Heart". Mary Helen is quite a gal!

From the eighth grade on up, her high school career at A H S has been filled with honors and extracurricular activities. In the eighth grade she won a spelling contest, where she placed high among the entries.

One of the happiest moments in her life came in her freshman year when she was chosen cheerleader. This was her big thrill to get such an office while only in the ninth grade. "Cutie" has remained the voters' choice for four years now.

Recently she was chosen as D. A. R. Good Citizen for this district, a real honor which she lives up to and deserves. Mary Helen has been Student Council representative, photography editor of *Crossroads*, secretary of the Boosters' club and the Black Masque, co-chairman of the Boosters' dance committee, chairman of the school welcoming committee, a home room officer, and a member of the *Full Moon* staff, the Mixed Chorus, and the French club. In addition to these activities she has also taken part in sports as a member of the B-team basketball team and the Junior girls' football team, and she is also a participant in Field Day and intramurals.

Some grammar school children are going to be mighty lucky about five years from now, A. W. C. (after Woman's College), when "Miss Cooper" will be behind the teacher's desk.

A. H. S. is going to miss the sparkling personality and all-around friendliness of this gal who was voted "cutest" and "most popular".

He likes all the girls and even admits that some of his best times were on his first dates in the United States. He likes America because it's a free place and you can say and do as you please as long as you stay within the law. His happiest moment was when he was liberated by the American Army from a Belgium Concentration Camp. In case you haven't already guessed, our boy of the month is that cute Polish-born Harry Pawlik.

Harry's friendly personality, ability, and ready wit have made him one of the most well-liked students at A. H. S. Some of the many offices he has held are vice president of the Student Council, varsity football member, Junior Lion, member of the Constitution Committee, news editor of *Full Moon*, and Field Day participant. He is a member of the Monogram, Boosters', Dramatics, and Science clubs.

If you're pretty cute, a good sport, fun to be with, and have a good personality, you'll rate with Harry, 'cause that's the description of his ideal girl. He's not a steady-going man either, girls, so don't give up hope.

When Harry has time, he likes to work on cars. Like every busy boy he also likes to eat. His favorite meal consists of meat loaf, potato salad, and lemon pie. Other favorites with Harry are the movie stars, Barbara Hale and Randolph Scott, the song, "Four Winds and the Seven Seas"; and sport clothes.

No one was surprised when it was announced that Harry had won the Babe Ruth Sportsmanship Award, for all of us have noticed Harry's excellent attitude and conduct in everything he takes part in. A finer sport would be mighty hard to find.

We don't know whether or not A. H. S. has helped Harry, but Harry has helped A. H. S., for he has been an example to us that the happiest people are the ones who appreciate the little things in life and keep an honest, clean character. Thanks, Harry. Our best wishes for success and happiness go with you through your future years.

The use of blood plasma was perfected through experiments at the Naval Medical Center in Washington in 1939.

Daughter Arrives At Coach's Home

Have you noticed the bags under Coach's eyes plus the twinkle in them; the haggard look about him plus the smile on his face? What else could this add up to but a brand new baby?

With a two-year-old Toby Jr., the start of a new home, and now a new baby to go with it, what else could Coach ask for unless, of course, some sleep at night and an ideal football team next year?

Little Mary Foster made her appearance into the Webb's home last May 3, at 1:20 a. m. Though she may not become a football player, Coach is sure she'll stand a good chance of being a sponsor for one.

Members of N.H.S. Are Entertained

Senior members of the National Honor Society were entertained by the recently tapped junior members at a weiner roast held on Morrow Mountain last Tuesday.

The 20 members along with their dates and chaperones met at the back of the high school gym and were taken to the mountain. Here they sang and enjoyed roasting hot dogs and drinking cold drinks. Other items on the menu were marshmallows and cookies.

Chaperones were Miss Jeanne Lentz, sponsor; Mrs. Don Bullock, and Mr. and Mrs. Don Peiffer.
