

Senior Musicians Present Recitals

Tommy Sibley and Connie McLain, outstanding seniors, have given their graduation recitals, Tommy's being a full-evening performance on May 9, and Connie's being given in collaboration with two other of Miss Worsham's pupils on May 16.

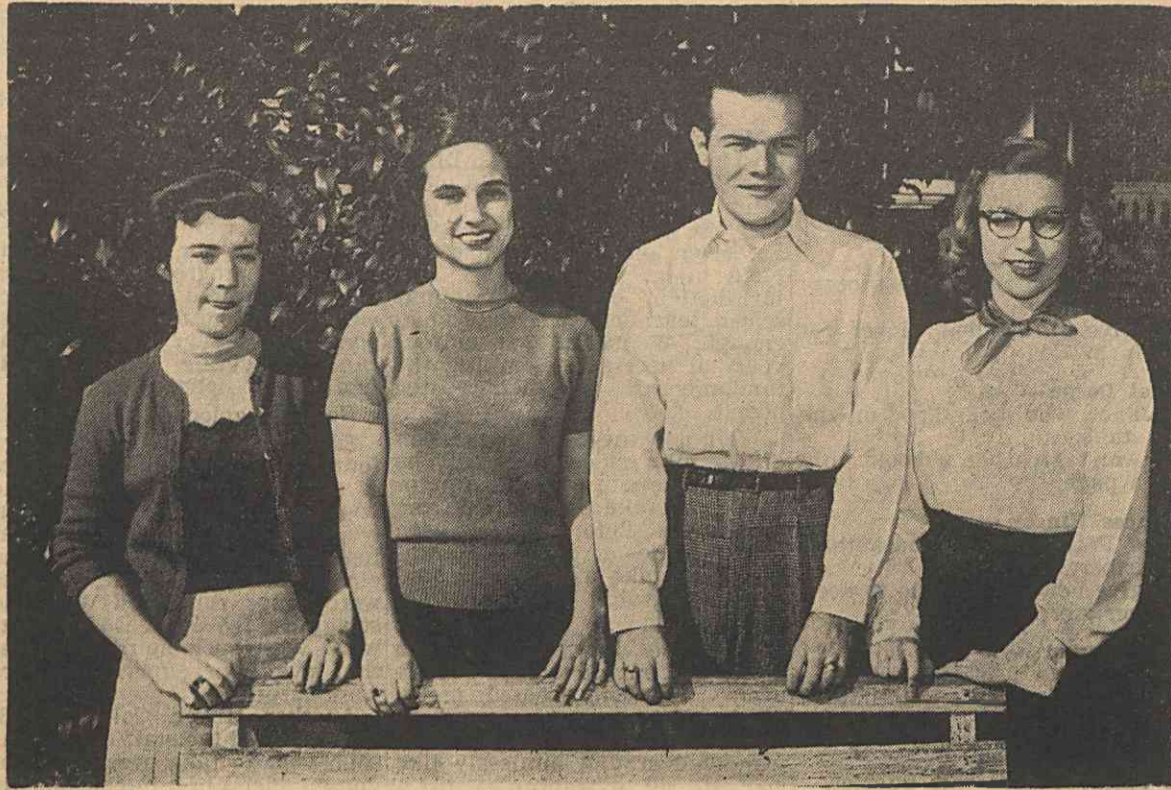

Tommy has had an outstanding career in music during his high school years. Recently in national auditions, he was awarded a high school diploma in music.

Marshals for Tommy's recital were Ellene Holbrook, Martha Moore, Barbara Brown, Connie McLain, James Gullede, Johnnie Knight, Bill Grigg and Henry Efir.

Connie has also had an outstanding career in music, having won the Bach medal. She has been accompanist for Joy Phillips over WABZ, has appeared on "Stars of Tomorrow" over WPTF in Raleigh, and has been on the National Honor Roll in music of NCEA for nine years.

Connie will receive her high school diploma in music this year and plans to enter W. C. U. N. C., where she will further her musical training.

Marshals for Connie's recital were Martha Moore and Ellene Holbrook.

SCHOLARLY FOURSOME—The four students of Albemarle high school, pictured above, have made an "A" average on semester grades during their four years of high school. This fact came to light as a search of the records was made to determine this year's valedictorian and salutatorian. Left to right, they are—Connie McLain, salutatorian; Martha Moore, valedictorian; Roy Holt, and Sarah Frances Poplin. —Cut courtesy News and Press.

8th Graders See Historical Sights

The four eighth graders of Albemarle high school have made their annual trip to Raleigh and other points of interest in Eastern North Carolina. The last two groups of eighth graders to make the trip on May 18 were the students in Mrs. Ivey's and Mrs. Saunders' rooms. The tour was made by Mrs. Lynn's room on the 17th, and Mrs. Hayes took her students on the 11th.

The tour was by way of Durham, where the eighth graders visited the big Liggett & Myers Tobacco plant and saw how Chesterfield cigarettes are made.

From Durham they went to Raleigh, where the groups took in the capitol building, the state museum, Hall of History, School for Blind, state penitentiary, the governor's mansion, and other state buildings; and they also visited the birthplace of Andrew Johnson.

The tour included a visit to several colleges, among these being State college and the Colosseum there, Wake Forest, Meredith and St. Mary's.

The return trip was by way of Southern Pines and Pinehurst, where the students got a glimpse of the two principal winter resorts in the state.
